Take Two: Bisexual Sex Stories And Adventures - Erotica Short Series On Bisexual Sex Play

Synopsis

Story One: I have always been curious about f--king a woman but had always thought that it was just a passing fancy; something that I just wanted to experiment with and then went back to my hot f--k life with those hard, warm stiff cocks I just lived to f--k. However, that was until the first time I f--ked and sucked a woman's pussy and then there was no turning back for me after that; it was both cocks and pussies for me and I was now a woman who simply refused to do without either of them. Story Two: I knew I wanted to f--k her as soon as I saw her at the airport. She turned me on even though we were both tired and haggard looking from our long flight. When she sat beside me and I felt the way my body reacted to her, I just knew that I had to have her. We exchanged contact information and it was on after that, as we f--ked and sucked our way to complete addiction to each other's pussy; as addicted as I was to my man's cock.
