Customer Reviews

My niece has been on a big Daniel tiger kick and asked me specifically for a Daniel tiger book! She also happens to love anything related to doctors so I figured this would be perfect! I walked in the door and she immediately asked me what I got her and when she found out she was thrilled! Made me read it to her right away! It's very cute, adorable short story and the pictures are colorful and bright! This is a paperback but my niece is WONDERFUL with her books! Very happy with this purchase!

Bought doctor jacket and stepscope to go with book, she loved it.
