Ailments > Immune Systems #425 in Amazon Kindle Store > Kindle Short Reads > 30 minutes (12-21 pages) > Health, Fitness & Dieting

Customer Reviews

I was afraid to buy this book because it sounded like the same 'ok' stuff that's been in all the other books on lupus but it wasn't. It had all the defining information but used it to tell you how it can be changed. Really cool book!!!

It was good for getting the feel for the disease. I would recommend this for someone who was just diagnosed
