Customer Reviews

I agree with the previous reviewer, the new binding makes working the puzzles so awkward! Why change a good thing?

The binding is no longer spiral, as in past years, it is now a perfect binding. It is horrible, the planner will not lay flat. The binding will probably not hold up to a year's worth of use. I have used these NY Times Crossword Planners since 2009 and liked them so much. I am returning this one in disgust.
