This is an amazing book when it comes to a variation of recipes for cooking in pressure cooker. We have pressure cooker long before I found this book and it was somehow useless because of our lack of knowledge for recipes. I have lots friends or relatives that have the same problem with me so I want to share this book to them. It will surely help them and love more their pressure cooker.

What a great cookbook! I recognize a lot of these recipes from my childhood. I can't wait to try them all. Banana nut bread oatmeal? Yes please!!
