Kilt Trip: Part 2: (A Scottish Highlander Historical Romance)

Synopsis

A SERIAL HIGHLANDER ROMANCE the parts of which should be read in order. Our heroine has just escaped the hero in the kitchens...DISCLAIMER: In the tradition of Charles Dickens' The Pickwick Papers, The Three Musketeers, and The Count of Monte Cristo, KILT TRIP is a serial Scottish Highlander romance released in parts of approximately 50 pages each, most of which will end in cliff hangers. If you're not a fan of this format and don't like to be tortured, spare yourself. Turn back now.

Scotland, 1704 It's all about that kilt! Acting on a dare, three English brides-to-be sneak into Scotland for a scavenger hunt, their last adventure before marriage. Mallory wants a piece of pirate's treasure, and Vivianne yearns for a love letter from a poet. But Bridget has more on her mind than the game. She knows life with her evil, blackmailing fiancé will be hellish, so she's determined to make him suffer too—by stealing a Highlander's kilt and leaving him to wonder how she acquired it. The Scots charged with finding and protecting them along the way are entirely wrong—and perfect—for the job. Rory, for instance, is a kilt-clad Highlander, but he'd rather die alone in a cave rather than get within ten feet of another Englishwoman. Unfortunately for him, the duty to pay his grandfather's debt will get him—and his two friends—much, much closer to the lasses than that. Come along for the ride.

Part 2 takes us further into the three English women's quest and how they outwit three Scottish Highlanders they perceive to be would-be captors! What these ladies don't know is that these Highlanders are honor bound to protect them! So a chase ensues!! I love this fun romantic series!! Again ends in a delicious cliffhanger! On to Part 3!!

Excellent book a must read and with each word that is read you really are hooked, what an excellent writer! I never want to miss a book in every series and I highly recommend this book and all books by this author! Fantastic book, you will not want to put it down, I know I didn't and I wanted more and I feel that you will also! Great, Great, Book!

I don't like serialized novels, but this one is really good. It is very clean tough. No steamy love scenes though. I miss that. This has made me laugh outloud. I have to wait now for the next one, which I truly dislike, but this story leaves you wanting to finish the story. I really would like the author to say when the next parts will be available.

Nice enough story, too short and why has she separated what is clearly a full book.

At first I was annoyed to find KiltTrip part 1 to be just that and not a complete book. But I pressed on to read part 2 and am hooked. I'll be buying the complete set.

Some times it was exciting and some times frustrating but lived it and looked for the next book.

Story was good. Did not like the continuous short books.

I enjoyed this second part of the series as much as the first one! Cleverly written and enjoyable to read! Now, I'm ready for the next part in the series!
