365 Cats Page A Day is a lifeline between my best friend in London and her mother who lives in South Florida. Each day her mother texts a picture of the cat of the day to her daughter to signal to her daughter that she is OK. On the occasion 2-years ago when a picture was not sent the building condo management were alerted and they found my friends mother in ill health. Truly 365 Cats

Page A Day brings great joy and is an international safety checker!

Buy these every year for at least 18 years. Pictures are always so cute and enjoy stories about the cats. Have actually called people close to my home when there cat has been featured. They were thrilled and I got to hear all about their special "kitty"!!

I get this calendar every Christmas for my elderly cat lady mother, and she LOVES it. She cannot wait to see what tomorrow's cat of the day is going to look like, and has to bore the pee out of me every time I go to her house, by showing me all the past cats of the day. She was recently hospitalized for a little over a month, so I took her calendar to her so she could keep track of the days and continue to see the cats of the day. This is a gift to the cat lover that keeps giving all year.

I buy this calendar almost every year. Sometimes I try a different one, but I always end up coming back to this one. Love the pictures and the information on each of the pages! When the day is done I have a piece of paper I can write notes and lists on. Yes I still write notes instead of putting the info in my phone. :-)

I've been getting this calendar for my desk at work for over 25 years. I've had three different jobs in that time, but only one cat calendar that I return to year after year. What makes it so special is that these aren't bland professional photographs, but instead are taken by average folks of their own beloved kitties, often accompanied by affectionate, humorous blurbs about their cat's background and personality (or should I say PURR-sonality?). The love for these little guys shines through on every page. Plus it's always fun to flip through and see how many cats from my home state (Connecticut) made it in. Other page a day kitty calendars may come and go, but 365 Cats is the classic and irreplaceable. The gift that keeps on giving and truly a joy.

I get this calendar every year - since no one buys it for me (super easy gift idea) I buy it for myself. Comes with "digital copy" so I can chose another page a day calendar - they've really limited selection on digital calendars so I either get Bad Cat or Places to See...

My mom asks for one of these calendars EVERY year for Christmas. It is so much cheaper here on ! Each page has a different cat, and a little story about that cat. The backs of the pages are blank, and when the day is over, my mom keeps them and uses them to write notes on so they don't

completely go to waste!

Order this calendar yearly for myself and my sister, as we are both cat people. My sister taught grade school for forty years and each year her students were thrilled when it was their turn to receive the daily cat picture.
