Customer Reviews

As many reviews here say the book isn't a countdown at all :))) But!!! It's bright, colorful and my son (almost 4) was fascinated by it! The lift-the-flaps are a most likeable part, apparently! It has little text and a lot of pictures. Just what a little child needs. And the cardboard is very sturdy! I do recommend this book unless you don't mind it's not a countdown.

What a fun little book! My toddler loves the flaps and just spending a lot of time looking at the illustrations to point out what she sees.

For my great granddaughter at Christmas. I like it but she may be a little too young to appreciate it yet.

Cute book. Lots of flaps for toddler to discover and look at.

Christmas gift. Super cute

Didn't love it. The flaps were not hiding anything very fun, they phoned this one in!

Purchased for my grandson and he loves it.

Cute and as I expected! Came in timely fashion.
