Mr. Boston: Official Bartender's Guide

Synopsis

The new updated edition of America's bestselling drink-mixing guide America's favorite drink-mixing guide since 1935, Mr. Boston: Official Bartender's Guide has been the resource of choice for generations of professionals and amateurs alike. Now this classic is better than ever, with updated information, 200 new drink recipes, and new photography. More than 1,400 recipes range from classic cocktails to today's trendiest drinks, all presented alphabetically with clear, easy-to-follow instructions. With the latest lowdown on liquors, beers, and wines, plus savvy advice on equipment, bar setup, and more, Mr. Boston has it all. Mr. Boston, part of the Barton Brands group, has been a widely recognized name in the bartending world for more than 70 years. The Mr. Boston brand includes a range of liquors and prepared cocktails as well as this 67th printing of The Official Bartender's Guide.

Customer Reviews

This is the 67th edition of a book first published over 70 years ago. There's a reason demand for this book has inspired its many updates and longevity - you won't find a finer book on drinks anywhere. An excellent collection of proven and time tested recipes - it also includes wonderful sections on bartending, techniques, and the proper tools. When you have this book at hand, there's little that you'll NOT be able to do behind the bar. Perhaps most impressively, it's written in a tone of respect and honor for the profession, passing along the very high standards of what a truly professional bartender needs to be. Highly recommended.

Good info

Not only are there the classic cocktail recipes inside, but there is also history, advice and technique. This is a good resource for people getting started with making cocktails and for the experienced mixologist who needs a reference for that arcane cocktail.

I've been a bartender for 15+ years and this is by far the bible of all bartending books. Its a must have. I was very pleased that the condition of this book was in excellent condition and shipment was fast! If your a beginner bartender I would highly recommend owning this book, not only does this book offer great recipes but you will also get a little history lesson on the traditional drinks that every bartender should know how to make. For the professional bartender...we already that this book is a priceless addition to one's collection!

As a young adult I went into my first bar and in order to be "cool" I ordered a bottle of Schlitz Beer. The Bartender (I think she was new) asked the older Bartender a question. The older man pulled out a Mr. Bostons' Manual and the two of them proceeded to mix a drink that the set in front of Me? I was hooked on Mr. Bostons Manual and the drink was good also "Between The Sheets"

We have an old Mr. Boston guide that I picked up at a garage sale. This version nicely updates our old version. The old version is great for classic cocktails. This version offers us some new mixes that have been fun to try. I love that the format is very similar in both versions.

Most of the book is absolutely wonderful. I say most because it came missing a few pages and I didn't realize until recently. Aside from that, it is very easy to read and the directions are clear. I didn't rate it lower because it is a problem with the book I have and not any indication of a systemically bad product.

It is quite extensive and covers the classic cocktails and in general, quite informative, but needs to be updated with more recent recipes.
