## Synopsis

A hilarious companion series to *Monster Musume* that includes three bonus monster girl post cards! *Monster Musume: I Heart Monster Girls* is an ongoing manga series starring everyone's favorite monster girls from the New York Times bestseller, *Monster Musume*. *Monster Musume: I Heart Monster Girls* doubles-up on the humor and heart, telling original stories in four-panel comic strip anthology format, including a short *Monster Musume* story from Shake-O, creator of *Nurse Hitomi's Monster Infirmary*. *Monster Musume* has been adapted into a hit anime series, currently streaming on Crunchyroll, and boasts a passionate fanbase around the world as its manga volumes continue to top sales charts. Each volume of *Monster Musume: I Heart Monster Girls* will include multiple full-color inserts. When hapless human twenty-something Kurusu Kimihito becomes an involuntary "volunteer" in the government homestay program for monster girls, his world is turned upside down. A reptilian lamia named Miia is sent to live with him, and it is Kimihito's job to tend to her every need and make sure she integrates into his everyday life. While cold-blooded Miia is so sexy she makes Kimihito's blood boil with desire, the penalties for interspecies breeding are dire. Even worse, when a buxom centaur girl named Centorea and a scantily clad harpy named Papi move into Kimihito's house, what's a full-blooded young man with raging hormones to do? And they're only the beginning of Kimihito's foray into the world of monster girls!

## Customer Reviews

OKAYADO is a Japanese manga artist and author who is best known for the series 12Beast and Monster Musume. OKAYADO is the original creator of the Monster Musume franchise.

After the superb Volume 10 of the regular Monster Musume, Volume 3 of I Heart Monster Girls is a bit of a letdown. It's not terrible but it does suffer from a hit or miss quality. Some of the features have less than great art or stories. However, there were enough good highlights to earn the book a four star rating. My own favorite story was "Four of Them!" featuring a return appearance by the multi-tailed shapeshifter IIs. She proves to be her usual overenthusiastic self, trying to protect the shrine. Another funny tale is "Monster Girls Cosplay" with Kimihito's ladies and the MON Squad dressing up and there is a cute little in joke at Manoko's expense. Finally, "Lilith and Draco's Penalty Hell" has those two mischief makers being sent to Polt for some disciplinary exercise and their attempting to get out of it. Like I said, it's not the best volume of this series, but there are enough gems to make it worthwhile for Monster Musume fans.

Not quite what I expected, but still pretty cool. (I probably should have read the description a bit better. ) I plan on getting the rest of this series.

just as lovely as always TEAM PAPI

Volume 3 has shorts from over a dozen different manga authors. It's pretty amusing to see so many interpretations of the cast of Monster Musume. A fair amount are humorous, a few are sweet and a couple are duds. Overall it's good a volume for fans but like the rest of the I Heart Monster Girls not a must have. It's very interesting to see others interpretations and personally I would love to see other manga series get this sort of official backing. Just imagine what a Dragon Ball or One Piece or any manga, would be like getting shorts from so many authors.

I'm a BIG fan of Monster Musume, and constantly read my books on it. Hell, I ever ordered a hug pillow of my favorite girl, Tionishia. These 'side story' books of Monster Musume are a great buy, given how funny they are. It's also interesting to see other artists trying their hands and doing OKAYADO's characters in their style.
