Ever since i was a kid i dreamed of traveling to Hawaii. Having this book, feels like a dream come true! Good guide! Lot of awesome beach and tourist spots to travel. Also wanna go and try their most delicious foods in Hawaii! It has tons of useful and helpful information. This is a practical guide

for traveler like me!

This book, a measly 100 pages and printed in in massive 24-point font, seems to have been written either for or by a second-grader (and that's being generous). Seriously, Wikipedia's entry on Hawaii is more informative and entertaining. The section called "Luxury Resorts: Because You Deserve To Treat Yourself" mentions one resort and in the vaguest possible terms. The "maps" mentioned in the description and reviews are nowhere to be found but there are plenty of typos, grammar and punctuation issues and less-than-helpful advice such as "don't forget that going around by yourself means having to book your own shuttle or look for your own taxis." It's clear that some of these bogus "reviews" here are plants they repeat the text on the back of the book verbatim.

I am planning to visit Hawaii next year so I decided to get this guide to help me on my upcoming trip and I am so glad I did. This book has all the necessary information that I think will really be useful on my trip. The details was presented very clearly so that each travelers will easily take a gasp of it. I really like this book a lot and I am so excited for my trip next year. Thanks to this book I am sure it will be an easy trip for me.

Amazing travel guide. The book includes many helpful maps for easy location referencing. Sometimes it's a little difficult to move from one map to the next or to find more detail in inserts. If you read the whole thing, you'll think you're fluent in Hawaiian. In addition, it's great fun to read while you dream about your bucket list vacation. Worth it.

Hawaii is in the next of my bucketlist. Hawaii is one of my dream destination and this book will take me there and see all the beautiful places around Hawaii especially the beautiful beaches. I cannot wait to be there. Well laid out. Clear and concise!

Heading off to Hawaii in December, really enjoyed this book! Felt like I was there already lol.
Thanks!
