"This story sucked me in from the very first page, okay the cover had me first, but the book does the cover justice." - The SubClub Books à Â "Another 5 star Sizzler!!! I was totally sucked in right away with this steamy and energetic read...I loved the passion of these fighters. How Jax and Marcy couldn't fight their chemistry and for every time they tried it just consumed them. Some really steamy scenes and this one burned up my kindle." - Sizzling Pages Romance Reviews

Woo Hoo! I'm so excited about this new series. I fell hard for the Redemption Series, it was my introduction to Sarah Castille, and I'm hooked. I can't get enough of those sweaty, muscled, tough, bada\$\$ fighters that turn into teddy bears when their hearts are involved. I can't get enough of the author's ability to make me laugh out loud at the witty banter and humorous situations the characters find themselves in. I can't get enough of the colorful characters that I feel a connection with, making me feel like I am part of their "family", as they love and support and tease each other. I really enjoyed getting to know Marcy better in this book. She's still bada\$\$, but she has a sexy feminine side too. She's hot in and out of the ring and the chemistry between her and Jax was ringing my bell. Val had me giggle snorting at her antics and I can't wait for her to find a strong man to handle her sass. I have my heart set on Two-Step, I can't wait to read his story. The way he calls Marcy, baby girl made me melt. I can only imagine how he would be with "the one". Please keep them coming Sarah Castille, we need more!

Holy hot sauce batman! This book was so HOT and I loved every second of it! Though this book is novella, it sure feels like you  $\tilde{A}f\hat{A}c\tilde{A}$   $\hat{a}$   $\neg \tilde{A}$   $\hat{a}$ , cre reading a full length novel! Sarah Castille gets so much detail in this story, you never feel like you missing a single thing!! loved how you could almost feel the chemistry between Jax and Marcy. I mean seriously, there were times I had to fan my face because it was so hot. But there were also some non-sexual tension there as well. Jax was hired to help Marcy with her issues of freezing in the ring. However, Jax never realized the extent to her issues. She $\tilde{A}f\hat{A}c\tilde{A}$   $\hat{a}$   $\neg \tilde{A}$   $\hat{a}$ , cs not too happy with the situation (though she doesn $\tilde{A}f\hat{A}c\tilde{A}$   $\hat{a}$   $\neg \tilde{A}$   $\hat{a}$ , ct mind him on top while they are working)Both have a past that they are fighting to hide. So though they have this wild chemistry, they are constantly fighting each other because they don $\tilde{A}f\hat{A}c\tilde{A}$   $\hat{a}$   $\neg \tilde{A}$   $\hat{a}$ , ct want to let the other in and see the darkness they hold inside. Though Jax fights this harder than Marcy, after a while you start to wonder if either of them will give in? Will they tap out and give everything they have to each other? Or will they knock out and destroy any chance they had to a happy life? Like I said, an amazing novella that doesn $\tilde{A}f\hat{A}c\tilde{A}$   $\hat{a}$   $\neg \tilde{A}$   $\hat{a}$ , ct leave out anything! I love MMA stories, but I think this is my favorite because finally the main fighter was a female! Though they don $\tilde{A}f\hat{A}c\tilde{A}$   $\hat{a}$   $\neg \tilde{A}$   $\hat{a}$ , ct get the same respect as a male MMA fighter

does, it $\tilde{A}f\hat{A}\phi\tilde{A}$   $\hat{a}$   $\neg\tilde{A}$   $\hat{a}$ , $\phi$ s nice to have a change of pace. I really hope that this isn $\tilde{A}f\hat{A}\phi\tilde{A}$   $\hat{a}$   $\neg\tilde{A}$   $\hat{a}$ , $\phi$ t the last we see of Jax and Marcy, because  $I\tilde{A}f\hat{A}\phi\tilde{A}$   $\hat{a}$   $\neg\tilde{A}$   $\hat{a}$ , $\phi$ d really like to see what happens with these two from here on out!\*\*ARC was provided thru NetGalley in exchange for an honest review\*\*

(A Club Excelsior Novella) Source: Purchase Rating:  $4\tilde{A}f\hat{a}$   $\tilde{A}$   $\hat{A}$  /5 stars On the surface Marcy Foster is your average girl - cute, smart, hard-working and, has a small circle of close friends. ItÂf¢Â ⠬ â,,¢s under the surface that Marcy Foster becomes far less average. For several years now she has trained as an amateur MMA fighter and is finally within reach of her goal, the title of state champion. There  $\tilde{A}f\hat{A}\phi\tilde{A}$   $\hat{a}$   $\neg\tilde{A}$   $\hat{a},\phi$ s only one problem, Marcy can  $\tilde{A}f\hat{A}\phi\tilde{A}$   $\hat{a}$   $\neg\tilde{A}$   $\hat{a},\phi$ t seem to get past her fear of being submitted. Sure, she has knocked out more than one opponent but the second an opponent gets her in any sort of a submission situation, Marcy loses her focus and the game is over. Jax Stratham has a wonderfully successful career as a sports psychologist. As a former MMA fighter himself, Jax has a unique perspective that has made him enormously successful on the MMA circuit. His reputation for helping fighters improve their game is stellar and so, he spends the better part of every year on the road travelling from one MMA club to the next. Travelling can be lonely but, on top of his talent he has incredible good looks which have allowed Jax to spend his limited time in each town and club with nearly any woman he wants. His limited time in each town also means he doesn $\tilde{A}f\hat{A}\phi\tilde{A}$  â  $\neg\tilde{A}$  â,  $\phi$ t have to commit to anyone which is a damn good thing given his aversion to commitment. Marcy instantly acknowledges how damn good looking Jax is and with the same instantaneous response rejects his help. As far as Marcy is concerned, Jax has nothing to offer her on either a personal or professional level so he may as well move on to the next fighter. The trouble with Marcy $\tilde{A}f\hat{A}\phi\tilde{A}$   $\hat{a}$   $\neg\tilde{A}$   $\hat{a},\phi$ s plan is how attracted she is to Jax and how stubborn he is. For reasons he just can $\tilde{A}f\hat{A}\phi\tilde{A}$  â  $\neg\tilde{A}$  â,  $\phi$ t explain Jax is determined to gain Marcy $\tilde{A}f\hat{A}\phi\tilde{A}$   $\hat{a}$   $\neg\tilde{A}$   $\hat{a},\phi$ s trust, help her overcome her fear of submission and, if at all possible, get her into his bed. Turns out, all of those things are connected and once Jax begins to understand Marcy and what it is that she really fears, the entire situation for both changes dramatically. For the first time since a very nasty and humiliating break-up, Marcy is considering telling a lover her secret and for the first time in years, Jax is considering the possibility of a real commitment. The Bottom Line: I am totally digging what Sarah Castille is contributing to the MMA genre. Marcy and Jax $\tilde{A}f\hat{A}\phi\tilde{A}$  â  $\neg\tilde{A}$  â,  $\phi$ s story is short and sweet but it is packed with all kinds of emotional and sexual tension. Marcy and Jax are stubborn, damaged and, afraid of what the other has to offer. To truly trust one another and be open to the possibility of a real relationship is

terrifying to both and the road to their HEA is not an easy one. As I have come to expect and enjoy, Castille puts her characters through Hell, gives them some truly spectacular naughty moments and, some excellent dialogue. Even though Yield to Me is a short read, it is packed with the promise of more to come. Club Excelsior $\tilde{A}f\hat{A}\phi\tilde{A}$   $\hat{a}$   $\neg\tilde{A}$   $\hat{a}$ , $\phi$ s cast and crew is pretty deep and there is lots of material there for a full-blown series. Sarah Castille, you have your marching orders  $\tilde{A}f\hat{A}$   $\tilde{A}$   $\hat{A}$   $\hat{A}$
