Since 1973, Rick has spent about four months a year exploring Europe. His mission: to empower Americans to have European trips that are fun, affordable, and culturally broadening. Rick produces a best-selling guidebook series, a public television series, and a public radio show, and organizes small-group tours that take over 20,000 travelers to Europe annually. He does all of this with the help of a hardworking, well-traveled staff of 100 at Rick Steves' Europe in Edmonds, Washington, near Seattle. When not on the road, Rick is active in his church and with advocacy groups focused on economic justice, drug policy reform, and ending hunger. To recharge, Rick plays piano, relaxes at his family cabin in the Cascade Mountains, and spends time with his partner Trish, son Andy, and daughter Jackie. Bought this pocket size book for my husband to use on an extended business trip to Athens (yes, how luck was he to visit Athens for work?). He found it quite helpful, especially the specific walking tour information. So, it is perfect for someone with a short amount of time in town.

It seems to be a great little book, well organized, easy to follow. Unfortunately, we had to cancel our trip to Athens so won't be able to "test" it until next year.

I bought the latest edition of this before a trip in August 2013. Some of the info was out of date (namely, the hours for the Agora, which I missed because it was closed). I guess it's my own fault for not checking another source. Otherwise, it did the job OK.

Handy guide.

Great little guide with maps and pictures so you can navigate key sites. It's super portable so it is easy to carry around with you at all time. I used this at the Acropolis, the Agora, Ermu Street, the City Walk and the National Archaeological Museum.

ok guide

Love Rick Steve's and he's always been my go-to guide. Felt like this fell a little short on accommodations in Athens. I've been to Athens a number of times. I do like the convenient size of the guide. I'll review again after we go to see if restaurants and transportation etc. are up to date

Very informative and helped a lot on my trip to Greece!
