His Best Friend (Young Adult Romance)

Synopsis

Jazz Nolen's life is so full of suck these days. First off, her best friend, Ally, has to transfer schools (oh, and states); meaning Jazz's best GUY friend, Luke, has to fill in with Ally's best friend's duties which is no problem--for Luke. But it's a HUGE problem for Jazz. Because Jazz has had an embarrassing secret crush on Luke since they were kids. So it bites being his best friend's duties you know, since she wants to be his girlfriend. However, things start looking up for Jazz when she gets a hot, handsome stalker. Cause suddenly Luke notices Jazz is a, um, GIRL. (!!!!) And maybe NOT just his best friend. In fact, Luke suddenly seems to want Jazz. Bad. Really, really bad. Maybe as bad as her yummy stalker. (Well maybe.) Note: HIS BEST FRIEND is a two-hour read. There is a romantic teen short story added as a bonus at the end, as well as chapters to Melanie Marks' newest novel, Dearest (Hot) Enemy. HIS BEST FRIEND is a standalone teen romance with no cliffhanger. No book needs to be read before this book. From Melanie Marks, the author of Fall For Me; and His Kiss Melanie Marks' newest book: SMOKIN' HOT (ACCIDENTAL) KISS Also new: THE NEW BOY; as well as: Heartbreaker Hanson UPDATE: Melanie Marks' newest book is: "Want To Hate You ... Too Bad I Love You" (That book has 3 Melanie Marks' romances in it for only one buck)

Customer Reviews

I enjoyed reading this book. It was simple at times and complex at times as it dealt with the results of 3 disappointing childhoods. The three helping each other to move forward.

Cute high school love story about best friends!

It's ok

Good

Good

I'm on page 7, the story intrigues me, but I don't know if I can deal with all of the underlined words. The author appears to be underlining words to emphasize the importance of what the character is thinking/saying. However, if you've gotten to a 3rd grade level of reading comprehension then you clearly don't need the help understanding. If I manage to make it through this book I'll come back and edit this review.

I hope there is a second one of this book coming out because this story gets juicy when you read deeper! I love it but I actually hoped for Jazz to be with the cute stalker instead of Luke! But this book is awesome!

I enjoyed the story, but felt like it was unfinished. It would have been nice to see more of their relationship, and to find out if Lily and Jonah stayed together or did he still love Jazz.
