RNWMP: Bride For Kendall (Mail Order Mounties Book 1)

Synopsis

JoAnn Becker, a wealthy socialite from Ottawa, has devoted her life to music and teaching others. She is content with her unmarried status, still living at home with her parents. That is until one of her closest friends moves west to marry the Mountie of her dreams. Once her friend is gone, she feels a bit lost and confused. When Miss Hazel approaches her with a plan to send her out West to marry a Mountie as well, she agrees, not sure at all what to expect. Kendall expects a wife just like his friend married—someone who will cook, clean, and dote on him. When JoAnn arrives, he finds that she—nothing like he expects, but everything he needs. The two of them make beautiful music together, but he—s not certain it—s enough to sustain a relationship. Will JoAnn agree to stay in the West and marry Kendall? Or will she give in to her insecurities and flee back home to her privileged life in Ottawa?

And a whole passel of them! Kendall and Joann are two of a kind when it comes to music and not communicating! Good thing they have friends who give good advice.

Once again, Kirsten Osbourne and friends have brought us another great series. This book is a fast-moving, great story, and in places so funny, I was ROFL!

Totally enjoyed this book. It's difficult to come from a home where everything is done for you to being responsible for cooking and cleaning for cooking and cleaning. Throw in Monty the moose and you have a very enjoyable story. Highly recommend this book

Another wonderful story by Kirsten. Very entertaining and fast easy read. A great adventure to be on. I highly recommend this book and this series. Happy reading

I really like the Mountie stories. Kendall n JoAnn's story is sweet. Trying to do what they think the other wants. Communication is better late than never.

Kirsten does it again. Funny and entertaining and a moose to boot.

I loved it. Great love story.

JoAnn misses her friend, Jess, who married a Mountie. When Miss Hazel suggests that there is a perfect Mountie for her, she jumps at the chance to live near her friend. She obviously has not thought this through. JoAnn comes from a wealthy background and has never cooked or cleaned in her life. She is musical and plays several instruments and likes to teach. So when she hears there is a musical Mountie, she ignores all the other obstacles. Jo-Ann soon finds life in the West is different than the privileged life she led in Ottawa. Will she overcome the obstacles? Will Kendall love her? This series is off to a great start. This book is a fun, fast read. The characters are likeable and well-drawn. I plan to read the whole series. I borrowed this book from Kindle Unlimited.
