To Love A Highland Rogue (Heart Of A Scot Book 1)

Synopsis

"A lively writing style and detailed story lines are the mark of this truly excellent writer." ~Kathryn LeVeque, USA Today Bestselling Author

She determined to end her betrothal, but he must make her his at all cost. A Scottish lass determined to end her betrothal. As an infant, Mayra Findlay's hand was pledged in marriage. So closely has her virtue been guarded, she's never been permitted a beau •has never even flirted with a man. However, after a chance encounter with a dashing rogue who sets her pulse and imagination cavorting, Mayra initiates a scheme that's sure to force her affianced to call off their union. The laird who must make her his at all cost. Until Logan Rutherford, Laird of Lockelieth Keep, inherited a near bankrupt estate, he had no intention of wedding the lass he was betrothed to as a wee lad. Now he needs Mayra's remaining dowry to save his beloved Lockelieth. However, before they exchange vows, he's determined to know just what type of woman he's reluctantly taking to wife. So he assumes his cousin's identity; a decision that soon has him snared in a tangled web of deceit. Caution: This historical romance contains one rakish fiery-haired Scot accustomed to getting his own way, a lass who's fed-up with men dictating her life, and stubborn gelding with a superior attitude. Buy this first installment in the Heart of a Scot series for a Highland adventure you won't want to put down.

Customer Reviews

Mayra and Logan were betrothed to each other as small children and haven't seen each other since. Now, many years later they're caught between a rock and a hard place. She's written him letters over the years, trying to break off the engagement, but has no idea if he's even read them. Meanwhile she's led a restricted life, relentlessly chaperoned everywhere she goes, to avoid even a hint of impropriety which would tempt Logan to call off the agreement. His father has spent all her dowry funds and then some, so he can't renege on the marriage without paying the money back. He also feels the unfairness of their situation but none of his plans to fix it have come to fruition. When they run into each other (literally) it's an instant attraction. He wants to take her measure so he pretends to be his cousin Coburn, which even he knows is a bad idea. It's one of those cringy situations where you're just waiting for things to blow up because how can they not? Meanwhile, after meeting the handsome "Coburn", she also has a scheme that just might make Logan call things off, and let her have some fun as well. But will she go through with it? To Love a Highland Rogue is a fun, quick read. The chemistry was definitely there between Mayra and Logan, and they're both quite charming. As this is the first novella in this particular series, I look forward to seeing whose story Ms. Cameron takes on next.

Colette Cameron did not disappoint again! This is another wonderfully written book. I found myself so wrapped up in the book that I could not put down until I was finished. Logan and Mayra is a couple you will fall more in love with with every page you turn!!!

Another winner from Collette Cameron! Logan and Mayra were betrothed as very young children. They meet as adults, neither wanting to follow through with the marriage. Both having preconceived beliefs about the other. Things become more complicated when Mayra finds herself in the arms of a handsome stranger who sets her heart racing and Logan lies about his identity in order to get to know Mayra better. Will the confusion be sorted out before hearts are irreparably broken? I was captured from the beginning of the story, which if you ask me was too short. I would have loved a longer story with these two characters and Ms.

Cameron's wonderful story-telling abilities. The story was quite charming and lovely. I am definitely looking forward to the next book in the series! I received an advanced copy of the book, volunteered to read the story, and gladly give my opinion.

Logan Rutherford was 6 years old when he was betrothed to Mayra Findlay and he has seen her only once since she was a babe. Annuling the betrothal is out of the question, as his father has already spent the half of the dowry entrusted to their family and in addition has heavily mortgaged their keep. Logan needs the lands which form the other half of the dowry, on which it is said, dwell copper and silver deposits. However, having seen his besotted father cuckolded by his stepmother, he wants to discover his betrothed's character prior to marriage and so presents himself to her under a false name. Mayra despises her betrothed, who has never bothered to know or woo her, and is desperate to regain her dowry which her family need in order to survive. Her many letters to Logan Rutherford have gone unacknowledged and unanswered and as a last resort, she petitions the king. When she meets the handsome "Coburn" in the village she wonders whether a scandal would induce Logan to set her free. I loved how open, honest and honourable Mayra was and thought Logan was a fool for thinking he could get away with deceiving her and then have a trustworthy marriage. He would have done better to have hired an investigator - not that would have gone down well either but might have been easier for Mayra to forgive. Overall I enjoyed the book despite having some problems with some of the Scottish dialect. I received a complimentary copy of this book from the author. I was not compensated for my review, and I was not required to write a positive review. The opinion expressed here is my own.

What do a six year old boy and an infant girl have in common? A betrothal of course! When The king demands two families unite by betrothing their children, Logan Rutherford is told by his father to sign a marriage contract to a baby Mayra Findlay. Her father makes a request of the young Logan to court his daughter if at all possible before actually wedding her. The six year old Logan agrees so he can leave these adults and go play with his favorite cousin Coburn. Years later, the money Logan's family received from the dowry is depleted by his wastrel father and his betrothed is begging to be released from the contract. Now Logan must woo Mayra because he can't afford to release her. When Mayra runs into a handsome stranger in town, she finds herself intrigued. She is torn between the duty to her family and her heart. Collette Cameron brings this story to life with humor and witty dialogue. Believe it or not sometimes arranged marriages can work out, can't they? Collette finds a way to wrap you into this world and fall for the characters. I really enjoyed this story

and the road to Logan and Mayra's happily ever after. While I'm giving this review from a arc copy, I have also pre ordered it and my review is honest.
