"The book you're holding tells a very moving love story. It's honest. It's practical. these important matters of the heart—loving passionately while remaining sexually pure—whether or not to marry, and who is the right one—the man's and woman's role in relationships—putting God's desires ahead of personal desires—how far is too far, physically. In a culture obsessed with dating, sex, and intimacy, the need for Elliot's freeing message is greater than ever.

The author of more than twenty books, including *Passion and Purity*, *The Journals of Jim Elliot*, and *These Strange Ashes*, Elliot offered guidance and encouragement to millions of readers worldwide.

Elisabeth Elliot and this book are absolutely excellent!!! I love how authentic and practical this book is. It completely change my mindset on dating and even on other aspects of life. Elliot does not make being relatable or funny or politically correct her priorities, but trait but puts forth scripture and her personal experience to develop this incredible guide to what it means to be in a God honoring relationship. I bought so many of these as gifts because they are so good!

I wish as a young man I would have known about Elisabeth Elliot. I know I would not have made the common mistakes. Her is so amazing and my daughter loved reading this book. Note that the book will not save you hence you as a parent need to read it and apply it together. Mistakes and bad judgements will happen but there is Grace.

It's beautiful! It isn't written as a "how-to" but rather as a collection of Elliot's thoughts and journaling. I thought it was very insightful, helpful, and full of wisdom!

This book is for a curriculum we are doing now.

I wish I'd read this book a long time ago. Has a lot of insights into what a God-honouring relationship looks like. I love Elisabeth Elliot's honesty with her struggles and feelings through-out her relationship with Jim Elliot. She points every struggle and doubt back to God, and uses a ton of Bible verses and other poems to encourage a godly mindset. I definitely recommend this for all ages of women, whether they're interested in dating, or are already married. Very inspiring!

This book is very helpful, insightful, and honest. Lots of good quotes. Turns your eyes to the Savior and helps you see that there is hope.

This was a very insightful read to remaining pure while seeking God's will.

wow. pierced my heart with truth. just wow. God has used her writings to clear any confusions up for me concerning this topic.
