Stick Dog Tries To Take The Donuts

Synopsis

The popular Stick Dog series continues in Tom Watson's hilarious Stick Dog Tries to Take the Donuts! Stick Dog and his team of strays are off on another outrageous canine caper. To snatch some breakfast treats for his hungry pals, Stick Dog will need to stop a moving truck, outfox a man on a telephone pole, and calm down a very caffeinated Karen. But that's not all. He'll also need to manage the greatest confrontation in history when his good friend Poo-Poo comes face-to-face with the ultimate enemy: a squirrel! With Stick Dog's smarts, daring, loyalty, and patience, he just might lead his buddies to the best breakfast ever. Perfect for fans of Big Nate, Diary of a Wimpy Kid, Timmy Failure, and the previous Stick Dog books. It's morning. The dogs are hungry. It's time to take the donuts!

Tom Watson lives in Chicago with his wife, daughter, and son. He also has a dog, as you could probably guess. The dog is a Labrador-Newfoundland mix. Tom says he looks like a Labrador with a bad perm. He wanted to name the dog "Put Your Shirt On" (please don't ask why), but he was outvoted by his family. The dog's name is Shadow. Early in his career Tom worked in politics, including a stint as the chief speechwriter for the governor of Ohio. This experience helped him develop the unique, storytelling narrative style of the Stick Dog books. More important, Tom's time in politics made him realize a very important thing: Kids are way smarter than adults. And it's a lot more fun and rewarding to write stories for them than to write speeches for grown-ups.

Stick Dog is off and running in this new adventure in the Stick Dog series. Stick Dog again leads his buddies out of their residential security (a fixer upper pipe) into the neighborhood searching, as always, for palatable sustenance to quiet their growling stomachs. This day of epicurean discovery brings them to the world of donuts and coffee. Laden with useable dog wisdom, incredibly poor suggestions by the group handled with dignity and grace by Stick Dog and humorously frustrating attempts to extradite the donuts from their owner, the author subtly leads our hero to another rewarding solution. Kids and adults have to love the doggie reasoning solving the puzzle of transforming some eatable finds from deliciously chewable to digestive fulfillment. And a surprise, there's a bonus in the back of the book providing a preview of Tom Watson's new series Stick Cat.

Very funny story, the author states that his drawings aren't very great but you can't bug him and give him any trouble - he's trying his best to make a good story. The cover is hard and solid.

My 11 year old enjoyed this book and we pre-ordered the next one. Both of us enjoy reading all of the stick dog books and the escapades of the dogs in these stories are hilarious! They are always hatching up elaborate but ridiculous plans to steal food - hotdogs, burgers, pizza, icecream and donuts etc.

My son in sixth grade enjoys these books (so does Mom!) We are looking into the Stick Cat series next. Tom Watson brings the personalities and motives of this pack of dogs to life in their quest for

obtaining and devouring human edibles.

Another entertaining book in the series. My daughter enjoys reading about Stick Dog and was excited to receive the next book in the series, this did not disappoint!

Both of my granddaughters have read the Stick Dog books and love them. This was just one of the series that I purchased for them.

This series is fantastic! Stick Dog is by far one of my son's favorites! They are fun and silly and even make me laugh. Very cute! Love these books so much, we own them all AND preordered the next volume.

My granddaughter loves Stick Dog!
