# 100 Days In The Secret Place

## Synopsis

Bored with the exercised of religious ritualism and parched by the teachings of dry dogma, man searches for a way back home to the place of His presence. Unfortunately, this journey inward is a "road less traveled," and too few have found the way. 100 Days in the Secret Place Gene Edwards, the master storyteller, has gathered together the writings of three Christian mystics from the seventeenth century: Michael Molinos, Madam Guyon, and Francois Fenelon. The writings of these "masters of the spiritual way" will be as lampposts leading the weary traveler towards that secret place lovingly created by the Father. The writings of Molinos, Guyon, and Fenelon will bring you to the bring of your own humanity as they lure you to step over the threshold into the world where God has prepared a special place just for you. Are you living in a drought of spiritual dryness? Are you lost in the depths of spiritual loneliness? Are you longing for a moment of spiritual reality? Then 100 Days in the Secret Place is your way out!

## Book Information

## Customer Reviews

Gene Edwards, the master storyteller, has gathered together the writings of three Christian mystics from the 17th century: Michael Molinos, Madam Guyon and Francois Fenelon. The writings of these 'masters of the spiritual way' will be as lamp posts leading the weary traveler towards that secret place lovingly created by the Father. --This text refers to an alternate Paperback edition.

Gene Edwards is one of America's most beloved Christian storytellers. He has written over 35

books. He holds a B.A. in English literature and history from East Texas State University and an M.Div. from Southwestern Baptist Theological Seminary. Gene was for many years a pastor and evangelist. He continues to travel widely, teaching seminars on the deeper Christian life and on how to have house churches.

This book with the classic writers seems to fit right into the way of thinking that the Lord is opening up in my understanding by His Spirit about what it means to "live in the Kingdom." The basis foundation of abiding in Christ goes solidly through these writings and so consistent with what I am rereading of Andrew Murray as I grow in understanding what Kingdom Living means, and how it affects EVERY area of our lives as we learn who we are in Christ Jesus and who He is in us, even as He is in the Father and the Father is in Him, therefore He is in us.

There are not many books that are too rich for you not to read in one sitting. This is one of those books. I have been touched and deeply affected by the writers in this book. The inner life, the life of passion to the cross and the obedient life is a life that we should all strive for. I hope you choose this book. With love, Matthew Robert Payne, Author of twelve books on and five books on Audible

Includes short devotions from my three favorite Christian writers. So many devotionals out there are hackneyed, or just plain not relevant. This one hits real life right where you live, ups and downs. If you're sick of devotionals that make the writer sound like they're super human and never have a down day, you'll love this. These saints were all persecuted and imprisoned over a century ago. Yet the translation and selections, even the chapter layout is right on for today. Highly recommend!!!

Without playing into any of the normal 'spiritually inspiring' techniques, this book gives a clear description of daily dying to self and continuously choosing joy for the glory of God in hard circumstances. It is practical and simply convicting.

There is nothing quite so comforting or affirming as having a little 'go to' book to augment one's own journey points. This is a compilation of thoughts put forth over hundreds of years that always seem to be so 'now' and so personal and useful in today's world. Great thought and obedient hearts are as current as our next breath.

Anyone with a desire to walk closer to God should own this book. Convicting, challenging, inspiring.

Add Gene Edwards Humility and you can obtain a PhD in walking with God. True Discipleship.

enjoyed their spiritual insights

Anyone wishing a fuller and closer relationship with God should read this book and then get busy and start acting upon the real suggestions. Spend time alone with God, as you would any good friend. You'll WANT to spend time & be in His presence. And a good place to get the book, "100 DAYS IN THE SECRET PLACE" at a reasonable price is at .com.
