The Pilgrim's Progress (Moody Classics)

Synopsis

This is not a devotional classic; it is a dangerous tale. It is a call to the high stakes of every Christian's journey. Don't pick it up expecting quaint amusement- it is a story woven through with undeniable truth, great cost, and overwhelming joy. One of the most widely read books of all time, this adventure reveals John Bunyan's intense grasp of the Scriptures. Penned while in prison for refusing to compromise the gospel, *The Pilgrim's Progress* is a guide for the journey from death to life. The times have changed, but the landmarks and adversaries are very much the same. **Moody Classics** Of all the factors influencing our spiritual growth and development, pivotal books play a key role. Learning from those who have walked the path and fought the fight brings wisdom and strengthens resolve. And hearing the familiar chords of kingdom living sung by voices from other times can penetrate cultural barriers that limit our allegiance to the King. To this end, Moody Publishers is honored to introduce the first six volumes in what is to be an ongoing series of spiritual classics. Selected for their enduring influence and timeless perspective, these new editions promise to shape the lives of spiritual pilgrims for generations to come.

Today's English makes this classic very readable!

Very good book. Shows how a born again Christian should be careful of Satan's attacks on the living in our world. We must keep our eyes on eternity with Jesus.

Pilgrims Progress is a allegorical masterpiece that penetrates a depth of thought that could never be achieved by simple exposition.

I bought it for a friend as a gift. I have not read this particular one, but I have read Pilgrim Progress and watched the movie. I really liked them. I was rather sure this would be another good buy.

This book is Biblically sound, and full of spiritual depth!

After reading through this Christian classic, I see why it has so great a reputation. This copy is in modern English, has a beautiful cover, and will be a family favorite in your home. This edition however does not contain book two.

This is a book that can be read over and over and you come away learning something new. I am reading Little Women and have discovered them discussing Pilgrim's Progress. Something I didn't understand when I read it as a child.

A Christian classic! Peter A. Cataldo Rome
