The Complete Emily The Strange: All Things Strange

Synopsis

Emily the Strange is not your ordinary thirteen-year-old girl--she's got a razor-sharp wit as dark as her jet-black hair, a posse of moody black cats, and famous friends in very odd places! She's got a broodingly unique way of experiencing the world, and you're invited along for the ride. Legions of fans worldwide have joined forces to make Emily a pop-culture phenomenon.

Rob Reger is a published author of children's books and young adult books. Published credits of Rob Reger include Emily the Strange vol. 4: Seeing is Deceiving, Emily the Strange, and Emily's Book of Strange. Rob Reger has grown Emily the Strange from an image on a few skateboards and tee shirts to an international fashion brand and publishing phenomenon. A thoroughly modern Renaissance man, Rob holds a Masters of Fine Arts in Printing, contributes to the art and the writing of the Emily books, is the efficient and effective President of Cosmic Debris, plays rock guitar and is a superlative skateboarder. Born in 1969, Rob makes his home in the Bay Area.

It's a great combination. As a character, Emily stands out: self-possessed, in control of just about any situation, but inventive and intelligent - have you seen her lab? Her adventures all ride through

the dark side, but the funny side of the dark. And, when you get used to the black/white/red color scheme, you see how much it sets the mood of Emily and her environment. So, it didn't really work for me when they tried adding more shades of her trademark red, and even hues from the other side of the color wheel. I'd be just as surprised if Morticia Addams showed up in a flower-print sun dress. But, the only thing permanent is change, so I can live with it. She's still our dark barely-teenager, and I still like her.-- wiredweird

Love Emily

excellent

great

Awesome book. I've loved Emily for year's. ... thrilled to add this volume to my "strange collection "

Far exceeded my expectations. Beautiful and well made.
