I must say that although I am not a Christian myself, I found that a lot of the advice in this book is quite interesting and may really help people who find themselves in very tough situations and are going through difficulties in their life. One of the best advice, if not the best, that I have found while going through the book is that a person has do whatever pleases his/her Lord to be able go through the difficult times with ease and certitude that God will see them through and take them out of their difficulties sooner or later without a shadow of a doubt.

Great book..... nothing can stop God, and if nothing can stop the one who created you, nothing can stand between you and the work he created you to do." Love this words.I found the 21 concepts to be informative and inspiring.

Some great concepts are put together here. The writing is a little difficult to follow at times as the English isn't quite correct, but the heart of the message is wonderful.From the book: "Your deformity may hinder you from doing what your ego ÆfÂçÃ â Æ Æ opinion of yourself ÆfÂçÃ â Æ Æ want you to do but it can never deprive you from fulfilling your life purpose. This is because nothing can stop God, and if nothing can stop the one who created you, nothing can stand between you and the work he created you to do."These words really resonated with me. I found the 21 concepts to be informative and inspiring.

Great book with Great instructions on how to pray when a prayer can't be found. Sometimes I find it hard to pray in depths of despair and this book has 21 wonderful steps to guide me during those

trying times. As described in the start of this book, its main purpose to "rescue those suffering from sicknesses, illness and diseases." Prayer is the way to do it. But before you can truly pray you must repent and know what is needed in that prayer. This book lends the strength and help needed in those times of suffering.
