Customer Reviews

Scott Rush is Director of Bands at Wando High School in Mount Pleasant, South Carolina.

If every band director in the country had to purchase one book this would be it. Every part of the job is laid out very clearly and Rush gives you so many great suggestions that it is impossible to not learn something every time you pick it up! Do not start teaching without buying this book!

Great advice for newbies and seasoned veterans alike! I wish I'd been handed this book years ago

when I was wrapping up my student teaching!

I bought this for my 16 year old son who is planning on majoring in music education. Arrived in a timely manner in perfect condition and was a little cheaper than ordering from my local bookstore. He is very happy with it and feels it will help him once he gets to college.

The book was exactly what I needed as a supplement for my program.

Great information!

I like the book. It has a lot of good examples and things that you can copy and add for yourself. I do also like how it tells you to take a break from the profession when you have time off. Very useful. As a college graduate, i think this book will really help me when i land my first teaching gig.

I had to get this book for a class but there is so much good information in this book every young band director should know.

This was purchased for my daughter who is a band teacher and she loved it!
