Customer Reviews

This is a fine guide, but I would recommend the In Your Pocket Guide to Krakow instead, as I found that one more informative and easier to use.

Everything I need to know about Krakow is in this guide and I love the pocket book size.

These Lonely Planet travel guides are awesome! Every one of them I have read has been current, informative, and helpful for a tourist new to an area. This one for Krakow is no exception. It is definitely worth it!

Reviews said it is a small book & they were right! But, it will be easy & light to take on our trip!

Very informative and helpful for me for planning my trip. I'll let you know after my trip if I had any problems with the accuracy of the information.

Thorough without being encyclopedic.

Excellent

Once you hit a link, it is hard to get back to where you were. And once you finish, you can't get back into the book unless you finish this stupid review. Other travel guides are better than this one
