Quinn: A Scottish Outlaw (Highland Outlaws Book 2)

Synopsis

He is an outlaw and the only man she can trust. Quinn is a Scottish rebel and outlaw to the crown--not the sort of man for a proper English lady. But when Lady Catarina is accused of a horrific crime and is forced to flee Ravensworth castle for her life, the only man she can trust is the one man who believes she is innocent, Quinn MacVie. Join Quinn and Catarina as they disappear into the wilds of the Scottish Highlands where danger follows at their heels and desire burns in their hearts.

Customer Reviews

After I read, "Jack", I was desperate to find out what happened next with his brother, Quinn who had gone to save Bella's sister from a tyrant husband now that she and her father were on the run. This book will grip your attention from the onset and not release you until the end. It's amazing what survival needs you conjure when love and freedom are the prize. Quinn is Jack's brother who has fallen in love and married Bella. Bella's sister, Caterina, is married to a controlling husband that limits her freedoms to maintain control. She feels she is lucky since he does not beat her. Quinn

disguises himself as a monk to gain entrance into their castle and steals Caterina away after her husband's brother kills him and then blames Caterina for his death. She and Quinn are on the run with knights and dogs closely tracking them at every turn. Strength is found with the love Quinn and Caterina find and you will not put this book down until the last page. This book has my highest recommendation and I read A LOT! I'll be looking for more in this series like a hawk stalking its prey.

"Quinn: A Scottish Outlaw (Highland Outlaws Book 2)" by Lily Baldwin is the second book in her series, and I loved it just as I did the first. Quinn MacVie is riding in to rescue Lady Caterina Ravensworth because her father declared he was no longer pledging sovereign to the King of England. Her family thought that she would be hurt by her husband because of this. Quinn and his brothers are part of a band of highwaymen who ride under cover of masks and using Saints names. Lady Caterina is definitely in trouble but not from the person that loves her. She steals away into the night with Quinn but he has an added bonus of having to take care of Caterina's son. So much drama in this book. I hope it's not the last that we hear about the MacVie brother's.

Lily Baldwin is an excellent writer! She spins her tales in these little novels with elegance and a unique flair you don't see in many others of this type... which is why, Miss Lily, I'm thinking your novels should get bigger, and longer, in short order. I'm putting myself on your mailing list so I'll be among the first to read your first best selling full length book!

After listening to "Jack" on the Duncurra YouTube channel, I was so eager for Quinn's story to come out. Jack and Bella are a hard pair to follow, but you have to love Quinn's tenacity. Catarina and Bella are sisters, but completely different characters. To me, Catarina was a bit less saucy, or I guess you could say more subdued than Bella, in my opinion. I do think the author did a wonderful job of making the villain a villain. The ending of Book 2 is so well thought out and leaves room for the rest of the family of characters to have their stories told without leaving you hanging off the side of a cliff. I am very much looking forward to Quinn becoming an audio book. I loved the way James McCreddie narrated Jack's story. I would easily recommend both books and audio books.

Wow! What a great story. I did not want to put it down. Quinn's tale is heartwarming. I didn't want it to end. I also enjoyed Jack, which is the first book in the series. If you haven't read it, I recommend you start there. I really enjoy Lily Baldwin's books. They are full of fresh ideas and fast paced. If you

are new to Lily Baldwin you will love her if you enjoy authors like Paula Quinn, Margaret Mallory, Emma Prince and Kiera Montclair. Happy Reading.

I like Quinn. Non-pretentious that he is a thief, and I like the fact that the story did not dawdle on this fact, but get Quinn to explain to Catarina when the time came to do so. It was actually a nice surprise when I read that she wanted to remain with her husband - instead of the norm of storyline where the heroine would leave with the hero.. looking forward to the rest if any..

Lily Baldwin has not written a book I did not like. I love the McVie brothers and I hope there will be another. If you have not read any of her books this series, The Highland Outlaws and The Isle of Mull series are just plain good. READ them!

The problem I have found with so-called historical romances is the lack of a good story. This work focuses on its good story, colorful characters and a light touch on the romantic elements. Quinn MacVie may be an outlaw, but he is the perfect romantic, yet daring hero. Posing as a monk, he dashes to the rescue of Lady Catarina Ravensworth. She is not of noble blood, but married well to Lord Henry Ravensworth ... a cold marital relationship, but she "does her duty" by birthing a son. Lord Henry, however, has an evil brother who murders Henry, frames Catarina and when she flees with Quinn fearing for her own safety and that of her infant son, the action becomes hectic. This sounds like the sort of plot Shakespeare might have concocted, but it really works. Baldwin has woven an entertaining tale and she has similar stories in her list of publications.
