ISBN-10: 0824828623

ISBN-13: 978-0824828622

Product Dimensions: 7.8 x 4.4 inches

Shipping Weight: 0.3 ounces

Average Customer Review: 4.3 out of 5 stars 20 customer reviews

Best Sellers Rank: #1,334,857 in Books (See Top 100 in Books) #55 in [Books > Travel > United States > Hawaii > Kauai](#) #1214 in [Books > Reference > Atlases & Maps > United States](#) #2394 in [Books > Reference > Atlases & Maps > Travel Maps](#)

## Customer Reviews

"Far and away the best (and most beautiful) maps of the islands available today."

I purchased two similar maps of Kauai: "Franko's Kauai Guide Map" and James Bier "Map of Kauai." Both have the same scale, approximately 1:160,000 or 1 mile = 0.40 inches. Both show more detail than my AAA Hawaii map (which covers all islands). The Franko's map is copyright 2007 while Map of Kauai, 7th edition was copyrighted 2004 by University of Hawaii Press. Unfolded, the Franko map is 21x14 inches (53x36cm) and Map of Kauai is 22x15 inches (56x39cm). The Franko map uses water-proof, tear-resistant material while Map of Kauai is printed on heavy paper that is not water-proof or tear-resistant. Both maps use shading to show mountains and valleys. The perimeter of the Franko map is filled with text describing points of interest. Each POI has 2-4 sentences with a line connecting the text to a map location. There is a lot of useful information on the Franko map but the text is small and you can't scan the map to pick out points of interest - you need to stop and carefully read. The Franko map is dark and it's difficult to read the small print on the map. Map of Kauai is a "cleaner" design that makes it easier to quickly read. Both maps have inserts that show more detail of urban areas. On the Franko map, the reverse side has detail of the North Shore, East Shore, South Shore, and Na Pali Coast & Kokee Hiking. On the front of the Map of Kauai are inserts of Kapaa and Lihue while the reverse has an insert of

Poipu. Also on the reverse of Map of Kauai is a good index of more than 1000 points of interest and streets. I'm a map geek and I like both maps. The Franko map is useful for planning what you want to see and do while Map of Kauai is handier to have as a navigational aid. If I had to pick one, Map of Kauai fits my needs better. I wish it were more recently updated. Franko's Kauai Guide Map Map of Kaua'i

Looks like a nice map for the vacationer or traveler. Compact and easy to unfold. Gives a good view of the main road network (for driving) as well as the topography if you are hiking. Has a wealth of key locations such as tourist interest points, geographical names, resorts, hotels, etc. Printed on heavy paper, but not water nor tear proof. We haven't been to Kauai yet, but will be interested to see how helpful it is when we get onto the island.

It's a detailed map of the island of Kauai. All the major roads and smaller roads are on it, as well as detailed inset maps of Kapaa and Lihue. I'm sure it will come in handy on my next trip to Kauai. Although, The Ultimate Kauai Guidebook was my best purchase in planning a trip to Kauai, I don't know if I necessarily needed a detailed map.

It is a great map. All the ridges and land features are named. However, you can easily buy it when you get there and maps almost as good are available for free. If it was larger I could justify the price but the free maps are about the same size or even a little larger.

Wish this map was more updated, but laid back as Kauai is, doubt it will be too out of date. Very clear and easy to read, lots of little stuff right on the map. Maybe I should update my rating after I actually get to use it!

The best map of Kauai that I have seen. Want another one for framing. Would be better if on heavier paper or plasticized.

This is a great resource and helps get an idea of the island's local flavor! The map shipped on time and the paper quality is great for a map. I wish it was a little bigger to see finer details, but what am I saying, I have it taped to my wall right now!

Excellent resource map for anyone visiting Kaua'i. Full of detail not found in other available maps.

Help plan your trip!
