The Power Of Love 2: Infidelity, Love And Lies

Synopsis

After being the other woman for eighteen years, Sarah is ready to walk away from the only man she's ever loved. All she wants is for Mike to let her be free to find love elsewhere, but Mike isn't ready to let go just yet. Feeling that his wife is convinced that nothing is going on with her best friend and him, Mike still believes he has the best of both worlds until Sarah shows him otherwise. Will Sarah finally have the courage to walk away from the man who has her heart? Or will she fall victim to Mike's lies, once again? They say everyone plays the fool sometimes, and Tiffany has played it for years in her relationship with her husband, Mike, as well as her friendship with Sarah. Well, the truth is now in her face, and as bad as she wants to walk away, she feels revenge is the answer to heal her pain. Let's see how far Tiffany is willing for vengeance on the ones who betrayed her the most. Will her pain lead her to make the biggest mistake of her life? Once again, we'll see just how powerful love can be once loyalty, trust, and bonds are tested.

This was a good read. The story flowed very well, and had a lot going on to keep you engaged. There were a few eyebrow raising moments as well as disbelief ones. It was a little repetitive at times about a particular situation, there were contradictions (one was cleared up), and a hiccup in the timeline. Still one of the best books that has been put out.

When i tell u i havent read a book series this good since "Unbreakable" omfg this book series is so good i couldnt put the book down...the storyline flows very well & its neva a dull moment it kept me wanting more & more...i cant for pt3 thank u so much for keepin me on toes yasss Miss Tynessa im luvn it hunnieGreat work!!

This was soooo good. I was waiting for the moment when all the secrets were finally spilled and you did not disappoint. Well done

this book was very predictable throughout the entire story, its like before I would start each sentence or chapter I knew what was happening next. Markel stabbing his mom and leaving her there and tiffany walking in frantic and the cops catching her was the only surprise in the book. it should've needed here but I guess you wanted to make a little more money

Everybody was screwing everybody! This book is full of infertility lies deceit an all that juicy stuff! I'm glad this is fiction cause it was just wayyyy to much going on. Even though Tiffany pissed me off an went through hell that ending shows that she still has a good heart which I hope she keeps finds a good man and leaves them all in the dust!

I see where the author was trying to go, but this was too much drama and the story is unbelievable. I refuse to believe that a wife finds out that her best friend and husband is having an affair and is this calm. I don't feel sorry for the Sarah Mike nor his dumb wife Tiffany. I don't think Sarah should have a happy ending. She need to be dealt with just like Mike. The only reason I want dumb as a box of rocks Tiffany to get a man is because of how her husband and b s st friend did her.

Ok so Markel kills his mother and Tiffany shows up thinking that's where Mike was going only to get caught my the police smh oh lawd Tynessa how could you do us like that with this cliff hanger

• I'm glad that everything is finally out, but I would have never expected that

Tiffany slept with Mike's brother Mark though. I can't wait until book 3 drops because I need answers. This book was so good

Sarah and Mike's secret has come out. Tiffany was so upset about their affair that she slept with Markel to get back at them, not realizing he was Mike's son. Once everyone found out both secrets, it put Markel in a bad head space. Sarah had tried moving on with X and he told her to tell Tiffany and Markel both the truth. Waiting for part 3 to see if Sarah lives.
