AD70 And The End Of The World: Finding Good News In Christ's Prophecies And Parables Of Judgment

Synopsis

Is the world going to hell in a handbasket? Is ours the generation that will be left behind? Are global events harbingers of the great tribulation? Such questions promote a fear and anxiety that is contrary to the hope-filled gospel of Jesus Christ. In *AD70 and the End of the World*, Dr. Paul Ellis offers an alternative, gospel-based perspective of the last days. Based on an in-depth study of scripture and the forgotten lessons of history, he reveals the astonishing good news hidden within Christ's parables and prophecies of judgment. This book is the antidote to pessimistic prophecy. It answers questions about Judgment Day, the rapture, and the end of the age. It reexamines dark tales of vengeance and wrath through the bright light of grace. If you are weary of gloomy forecasts or are anxious about the apocalypse, this book will give you a confident expectation of a joyful tomorrow.

I have always seen the division of of Mathew 24 as Paul Ellis describes it in this book. I am however

still somewhat skeptical of the idea that none of the first part will apply to our endtimes. There are many events in the Old Testament that mirrored future events and the possibility that this may as well remains. Well written book and well worth the read. I would love to read Paul's exegesis of Revelation.

The best book on the market over any futurist or preterist propaganda. It is a must have study. Though, it only begins to scratch the surface, it is an indispensable resource that can be used to begin to overcome all the false Eschatology being peddled all across the Christian world today. Read this book now and gain some real hope & understanding. Get unlocked from false Eschatology.

Another great book from Paul Ellis. I am looking forward to the paperback because my book club is anti Kindle. I also would like to add that I bought "Stuff Jesus Never Said" in hardback as soon as it came out and then got the Kindle version and the illustrations are as beautiful as the book form.

So-so. The first part is pretty good, but then it starts to drag and go way off the path. Gave up before finishing.

This is a great read and helps to bring peace instead of fear and uncertainty. I would highly recommend it.

A very interesting and informative look at the end times predicted by Jesus in the Gospel of Matthew. Paul Ellis' book is thought-provoking and provides a more optimistic picture of what God has in store for his beloved.

A wonderful book to read for anyone interested in end times or fearful about it. It is well-researched in terms of historical fact mixed with scripture and the writing is excellent at keeping you interested and entertained.

AD70 and the End of the World: Finding Good Is a great read. Amazing Book!
