Customer Reviews

So I read: [The Greatest Adventurer in Minecraft: An Unofficial Minecraft Story for Kids](#) (good book, go read it) thinking, "minecraft stories?!!!" and now I'm like "MINECRAFT STORIES!!!" Which lead me to this, and the other Zilla books...A Giant Zombie, a Giant Enderman, a couple of players, and some traitors. Need I say more? I enjoyed this book. Good action, tense moments, and secret hideouts. All about the tension and rivalry between the Zillas and Sky and

Ssundee. Had a wonderful ending where all the players learned to work together. If you're a fan of minecraft, grab this book. You'll enjoy it...As Enderzilla would say, "ROOOOAOAAAAWWW" =)

I think this is a great book for people who are crazy about mine craft! Something I don't understand is that the names are mixed up. Like, Zombiezilla was the one who fell into the cave, but then it said that Enderzilla was the one craning his head out of the rocks.

It is totally unpredictable! If you love Godzilla related things, this be awesome. If you don't, it'll still be AWESOME! (totally!) 2 Minecraft Godzillas, Sky, and Ssundee, all of the ingredients for AWESOMENESS.

I loved it. I loved it. I LOVED IT!!!! What? I really loved the book. It was great. Read it non stop beginning to end. Read it. I am a fan of ssundee and skydoesminecraft. This book is Epic.

SON READ THIS BOOK IN A DAY.

One more time A M A Z I N G I love the books there so much action in here about it has MINECRAFT IN HERE! U will love this book. Plz add me n tablet my name is britonkirkland

I love it, it has skydoesminecraft and ssunde in it plus it is really cool adventure. But I would reccomend reading about Zombizilla and enderzilla first.

AWESOME AWESOME and.....AWESOME!!!. Don't forget epic. I loved it.-this was written by my nine year old son. He read it in two nights
