Customer Reviews

James Revoir has been walking with the Lord since 1985 and has experienced the manifold goodness of God all along the way. James fell in love with the Hebrew language during his seminary experience at Oral Roberts University, where he completed his Master of Divinity in 2008.

This book is awesome. While I read I had my bible next to me to continue reading the scriptures. It helped me greatly.

I often read Scripture and that's about all I do with it. Sometimes, I even skim through it, not really taking it in, because I've read it before. I think that's because my mind is constantly trying to save time, being busy with life's demands. Priceless Stones - James Revoir - 42 Days of Hebrew Promises for Kingdom Living - Bible StudyWords on there own sometimes don't emphasize their importance and true meaning. Having a devotional like Priceless Stones: 42 Days of Hebrew Promises for Kingdom Living has changed this for me. Learning a little more about select words in a given Scripture really helped me see the word, as well as the scripture in whole, for it's meaning and

intended message. Now, I will use my Strong's Concordance more often. I have a bulky one that I used to verify the meanings provided for some of the words in this book. To make it easier, I will use the one in BlueLetterBible.com in the future. Not as difficult to carry around! Each day's consists of the 'Hebrew word of the day', a piece of Scripture, and a short devotional. Following these, you'll be encouraged to take it further with a prayer prompt, personalized declaration, and questions for you to answer regarding the application of what you just read. When I first discovered this book, I thought it might be a little too thick of a study for me as a working mom. I need short studies that I can fit in each morning in between my shower and tending to our little guy, all before going to the day job. However, I found it to be just right at 4-5 pages of interesting and convicting spiritual guidance each day. It's really important to dig into God's Word, so that you'll really discover all it has to offer you as a child of God. I encourage you to use this devotional or another similar Bible study to help you do that digging! I received a copy of *Priceless Stones: 42 Days of Hebrew Promises for Kingdom Living* from the publisher through BookCrash.com in exchange for my honest review.

No one just happens across priceless stones. Priceless stones are raw and buried. They must be mined, cleaned, and polished. It's the best metaphor for my criticism of Mr. Revoir's book. There are some priceless stones of incredible information in this book. It is evident that the author is very intelligent. However, I had difficulty mining the gems from this work. It is difficult for me to be critical of anyone who has written a book because I have never undertaken the task. However, it is as a reader and not a fellow-author that I offer my personal review. While I found some of the content of the book, specifically the insights into the Hebrew words, to be very interesting, I found myself struggling to engage with the book. The book is written, almost in a devotional format. The subtitle is "42 Days of Hebrew Promises for Kingdom Living." In each chapter, Revoir focuses on a different Hebrew word or phrase and draws present application from the meaning of these ancient words. Each chapter concludes with a prayer, a declaration, and reflective questions. I would personally rate this book two of five stars. However, if you are looking for a devotional style book and you love to study the Hebrew meaning of words, perhaps you should give it a try. It is my hope that Mr. Revoir continues to spread the Christian faith by every means possible. Disclosure of Material: I received this book free from the publisher through the BookCrash.com book review program, which requires an honest, though not necessarily positive, review. The opinions I have expressed are my own. I am disclosing this in accordance with the Federal Trade Commission's 16 CFR Title 16, Part 255: "Guides Concerning the Use of Endorsements and Testimonials in Advertising."

Read a chapter a day of this book and learn many important Hebrew words! It will deepen your knowledge of God's Word...Personally, I found this book informative in ways, yet not incredibly convicting or life-changing; yet perhaps you will gain from it more than I. Some things that bothered me in this book were the following: The author doesn't give the meaning of the Hebrew word of the chapter until middle of chapter. Since I like systematic studies of- anything!- I found this book slightly random as to the order in which the words are taught. However, that very relaxed style lends to easy spontaneous reading, which is good for many people's busy schedules. Lastly, I don't appreciate the prescribed prayers and especially declarations at the end of each chapter which are meant for any reader to proclaim yet which cannot be true for every reader, that is certain. I thought it was good how the author brought many real-life instances into the book which helped bring the lessons on God's goodness or strength to life! the author's bio declares.... "James has a passion to invite the reader to not only be acquainted with, but to personally experience, the amazing, incomprehensible, boundless love of God and to radically encounter Him on a deeply intimate level to such an extent that the reader is never the same again. "I received this book to review through BookCrash...I was encouraged to express my full opinion. I would like to thank both BookCrash and the publisher of this book for allowing me to read and share my thoughts.
