Nate The Great And The Big Sniff

Synopsis

Beginning readers are introduced to the detective mystery genre in these chapter books. Perfect for the Common Core, kids can problem-solve with Nate, using logical thinking to solve mysteries! Nate the Great solves crimes with his dog, Sludge. But this time, Sludge can't help. Sludge is lost! Nate looks high and low. But every clue leads to a dead end until . . . Nate realizes Sludge can help after all! Check out the Fun Activities section in the back of the book! Visit Nate the Great and Sludge! NateTheGreatBooks.com "Another satisfying entry in a consistently entertaining series."--Booklist "These simple chapter books build confidence in children who are just starting to read and who look forward to a new mystery."--Kirkus Reviews

Age Range: 6 - 9 years

Grade Level: 1 - 4

Customer Reviews

Gr 1-3-Nate the Great returns in yet another installment of this beginning chapter-book series. This time his faithful sidekick, Sludge, is the big mystery-when the young detective comes out of the department store, his dog isn't waiting where he should be, and he's either missing or lost. Sludge ends up going to the one place that Nate loves, the cafeteria, and there they have their happy reunion. Weston's watercolor illustrations show the youngster's worry and determination, and lend humor to the story. Fans of this series will definitely enjoy the continuing adventures of Nate,

Sludge, and their friends. Christina F. Renaud, Attleboro Public Library, MA Copyright 2001 Cahners Business Information, Inc. --This text refers to an out of print or unavailable edition of this title.

Praise for the Nate the Great Series | "Kids will like Nate the Great." • School Library Journal, Starred Review | "A consistently entertaining series." • Booklist | "Loose, humorous chalk and watercolor spots help turn this beginning reader into a page-turner." • Publishers Weekly | "Nate, Sludge, and all their friends have been delighting beginning readers for years." • Kirkus Reviews | "They don't come any cooler than Nate the Great." • The Huffington Post

My son loves this series

Nate the Great is a detective and a guy known for being able to find lost things or solve mysteries. However, in NATE THE GREAT AND THE BIG SNIFF, Nate experiences his most personal mystery of all when Sludge, his dog, detective partner, and best friend, ends up lost in Weinman Brothers, Nate's favorite store. Since no dogs are allowed in the store, Nate has to leave Sludge outside. Nate goes inside to buy a gift for Sludge and has to stand in a really long line. Worried about his doggy partner, Nate goes back to the entrance to check on Sludge and finds that Sludge is gone! Marjorie Weinman Sharmat is the author of over twenty Nate the Great adventures, including NATE THE GREAT STALKS STUPIDWEED, NATE THE GREAT AND THE BORING BEACH BAG, NATE THE GREAT AND THE HALLOWEEN HUNT, and NATE THE GREAT AND THE MUSHY VALENTINE. She has written dozens of books for young readers. She named Nate the Great after her father. Her books have been named as Children's Choice books and Junior Literary Guild selections, and been picked as Books of the Year by the Library of Congress. NATE THE GREAT AND THE BIG SNIFF is written as a chapter book, something the last few books in the series have changed to. The change is welcome because the chapters provide brief bits that can be read while on the go, and they all end up with cliffhanger endings that make the young reader want to pick the book up again or the young listener want to sit down and hear more. As always, the author presents a very real mystery with very real possible solutions before ultimately solving Nate's latest case. The usual cast of Annie and Fang and Rosamond show up in the story, and Claude puts in an appearance to round out the neighborhood. The way that all of the group bands together to help Nate find Sludge is really great and heart-warming. Over the years, Nate has been bothered by these people, or presented hard

mysteries by them, and it's good to see that they help him out when he needs it, and that they actually care about Sludge. When the case is finally solved, Marjorie Weinman Sharmat and Mitchell Sharmat reveal that Sludge is every bit the detective that Nate is. The full color illustrations by Martha Weston are detailed and expressive. This is a truly great book for young readers and parents who love to read aloud to pre-readers. Young readers will enjoy the whole Nate the Great series because the tales are told in a familiar fashion and involve a solid cast of characters that return book after book. These books are also some of the best to choose for read-alouds to pre-readers or for the last story before bedtime because they can be read in just a few moments. The Nate the Great mysteries are fun and addictive for both parent and child.

Great book to read for a third grader level. My son loves mysteries this was a good buy. The book was in great condition when I received it and it was on time.

perfect for my first grader! Nate the great gives him great motivation to keep on reading!

great for reading to my grandkids.

My grandson enjoys these books.

My nephew loves the book & the series!

Great!
