Amish Romance: The Coffee Shop Miller Sisters Complete Box Set (Books 1-3)

Synopsis

The Millers run a cozy little coffee shop with the help of their three daughters. Each of the sisters are looking for that special someone, a love to join them in life, a crush to court, and a relationship to last a lifetime. Here are the three books: Amish Hope A love unreturned and a heart-stopping beauty to compete with, is it any wonder "plain" Katie Miller suffers in silence from a distance? And now could a sudden, dark turn of events be the catalyst to bring them together? Or is Katie left to stew in the envy of Betsy and her sisters forever? Life can be cruel, but the hope that burns in place of envy can win out, in this Amish Romance. Amish Charity An impossible choice could mean could mean the end of Emily and Ben's promising future. But warring, longings of the heart throw everything in turmoil. Yet not everything is as simple as it seems, and what threatens to tear them apart, can still be avoided if only both hearts are willing to give ... and receive. Temptations of the English world endanger their fate. Can love win out, in this Amish Romance? Amish Faith A long, but rocky relationship is threatened to end forever when Chase, a good-looking, wealthy English man comes into the lives of Sarah and Timothy. Hard choices must be chosen that could lead to lives torn apart, yet understanding and a willingness to work for a solution is all but impossible when the two come together. Tempers are quick and patience runs thin, yet the heart wants what it wants. For Sarah Miller, the oldest of the Miller sisters, this means yearning for a resolution, and secrets that may yet need be revealed. If only Timothy, could make her decision for her, she'll have the future she yearns for, in this sweet, Amish Romance. Enjoy all three books for the price of the third by itself. This is a great collection of clean, Christian Amish Romance stories.

Customer Reviews

These stories are short and sweet. Having said that, there is not a lot of plot development and each one follows a very similar route. I enjoyed the first one, however was bored by the third one.
