Defense In The 21st Century

Synopsis

This is the 3rd in the American Contract Bridge League's series of bridge books for beginning and advancing players. Successfully used for over 20 years, this edition has been updated to reflect modern theory. Lessons include Opening Leads vs. Notrump Contracts, Opening Leads vs. Suit Contracts, Third-Hand Play, Second-Hand Play, Defensive Signals, Developing Defensive Tricks, Interfering with Declarer, Making a Plan, and the new bonus lesson on Negative Doubles.

Customer Reviews

Great book for most bridge players. Grant teaches how to think and respond to a variety of situations as well as cues to tell partner about your hand. Deals, bidding and defensive strategies are clearly explained, by reviewing these plays, it keeps me progressing and learning to be a more effective player.

This the third in a series of bridge books for beginning and intermediate players but could serve as a review for anyone who hasn't played in a while (although defense really hasn't changed anywhere near as much as bidding). I would strongly recommend one starts with Bidding, then Play of the Cards before going on to this volume. The spiral binding and format make it very convenient.

Audrey Grant is always excellent. No exception here. Defense in the 21st Century is excellent. Recommended to me by an excellent teacher.

This book helped me so much in playing bridge and defending. I had concentrated more on winning the bid and making the contract and usually lost interest in defending. After reading the book, I have several things in my arsenal for wrecking the game for my opponents. They go down a lot more now and they usually don't see it coming. Would definitely recommend this series of books.

Great book and easy to understand and learn from. I am a novice bridge player and this has helped my game

This book will improve your bridge playing. If your aim is to communicate better with your bridge partner and achieve high boards, this is an excellent way to achieve it. Books shipped quickly and in great condition. Highly recommend.

As advertised

Audry Grant's bridge books are easy to read and understand. The spiral binding is a real winner. I have all four of the set.
