Judgment At Bridge 2: Be A Better Player And More Difficult Opponent

Synopsis

My second book was Judgment at Bridge, a book that looked at judgment, a quality that goes beyond mere rules. It's something that you learn in bits and pieces, not in great gobs all at once. In Judgment at Bridge, I took my 16 years of experience and put them into the book, hopefully making the introduction to judgment easier than if you had to get it one bid, one card, one disaster, and one success at a time. It was nice to have Alfred Sheinwold write an introduction to it. Things change and today, more and better judgment is needed to keep up with changes in bidding and play. Well, not so much in play and defense but there definitely have been changes in bidding. Judgment at Bridge 2 is more than a sequel. It takes all of Judgment at Bridge and adds to it. Bridge is still not a game of rules. It wasn't back in 1976 and it isn't now. It won't be in 2040, either. Bridge is a game of guidelines and ongoing experiences. In Judgment at Bridge 2, I will show you how to approach the game. What do you need to be a better player? What do you need to be a more difficult opponent? There are a lot of things you can do to achieve both. In addition, I am including a chapter offering opinions on various conventions that you should consider now, conventions you should consider shortly, and conventions and treatments that should be removed from your convention card. There are many aspects to bridge and each comes with different issues.

Book Information

Paperback: 232 pages

Publisher: Baron Barclay Bridge; 1 edition (September 5, 2017)

Language: English

ISBN-10: 1944201076

ISBN-13: 978-1944201074

Product Dimensions: 5.5 x 0.6 x 8.5 inches

Shipping Weight: 11.4 ounces (View shipping rates and policies)

Best Sellers Rank: #66,099 in Books (See Top 100 in Books) #14 in Books > Humor & Entertainment > Puzzles & Games > Bridge #107 in Books > Cookbooks, Food & Wine > Cooking Education & Reference > Essays

Customer Reviews

He's done it again! One of my very favorite bridge authors, Mike Lawrence, has come out with a new book entitled Judgment at Bridge 2. I kid you not, each chapter is a jewel. I couldn't wait to get

to the next one. I don't know anyone else who can write so simply, so understandably and dish out as much good bridge advice. Buy this book! You won't be sorry, I promise you in spades! (Eddie Kantar, Judgment at Bridge 2)

MIKE LAWRENCE is one of bridge's greats, a multi-talented master of the game. As an original member of the famed Dallas Aces, he won two world championships – the Bermuda Bowl in 1970 and 1971 – and subsequently picked up another Bermuda Bowl title in 1987. An ACBL Grand Life Master with more than 23,000 masterpoints, Lawrence holds 16 North American championship titles including five Vanderbilts, four wins in the Reisinger Board-a-Match and one Spingold. Lawrence is a popular teacher and acclaimed author with more than 25 books to his credit. Two, *How to Read Your Opponent's Cards* (1974) and *The Complete Book on Overcalls*, (1979) were hailed as book of the year by Alfred Sheinwold; *Conventions* (2001) and *The 2/1 System* (2003) by Lawrence won the American Bridge Teachers' Association's Software of the Year Award. All of his works are must-reads for players serious about advancing their game. A longtime columnist for the ACBL's *Bridge Bulletin* and member of The Bridge World's Master Solvers' Club, Lawrence lives in Tennessee with his wife Karen. He maintains an informative website at michaelslawrence.com.

Good for advanced intermediate and higher players. Easy to read, with very good examples. I guarantee an aspiring player will get his money's worth, particularly if his frequent partners also read it.

Excellent book, received on time

Good news, Lawrence is my favorite. It is just too expensive for a kindle.
