Jeep: The History Of America's Greatest Vehicle

Synopsis

The definitive, fully illustrated celebration of an auto manufacturer that paved its own way by going off-road. Few American vehicles, or vehicles made anywhere else in the world for that matter, are as universally iconic as the Jeep. From olive drab WWII military relics to the beloved Wrangler with its rear-mounted spare tire, open-air design, and telltale roll cage, the Jeep is a true classic. In *Jeep: The History of America's Greatest Vehicle*, automotive writer Patrick R. Foster chronicles over 70 years of Jeep vehicle design and production. Beginning with the Jeep as a crucial component of the American World War II fleet, Foster expertly recounts the corporate shifts, financial struggles and successes, close calls, and, above all, the enduring machines that have carried Jeep from the early 1940s to its triumphant role as a modern-day embodiment of American perseverance. Three hundred color and black-and-white historical photos complement his expertly written narrative of Jeep's entire history, reminding us that sometimes, the road less traveled was just waiting for the right truck.

Patrick R. Foster is a well-known and respected automotive writer and historian. Foster is an authority on AMC and its various sub-brands and has written a number of books on that automaker, as well as many others, including Jeep and Studebaker. His most recent books for Motorbooks are *Jeep: A History of America's Greatest Vehicle* and *American Motors Corporation: The Rise and Fall of America's Last Independent Automaker*.

Great book for Jeep Lovers.

Great book, just what we wanted. Book was in excellent shape.

lots of info on jeeps

My husband is a vintage Jeep-a-holic. This was a gift I gave him and he loved it! The shipment was received promptly with no problems. Very happy with the transaction!

very informative and complete history of jeep. some never before published information about the company's history and cars. great for the jeep historian or those interested in a comprehensive overview by someone who really knows the subject. not for those who want depth on a specific jeep car or model.

It was very interesting of the total history of the jeep, was above my expectation, thanks.

Awesome book. Must read for Jeep fans.

Very nice. Exactly as described.
