Customer Reviews

I bought it for my six year old level 3 gymnast. An easy way to keep track of scores and meet info. Certain sections are a little over her head. One suggestion would be to have a section for info- such as restaurants and hotels in the area to write notes for futures meets in the area. She loves it and it is nice to track her scores

I got this for a Christmas present for my daughter (for this upcoming Christmas) so she hasn't seen

it yet but from what I can see about it, she will love it! You can track all your events and progress in it!

Plain simple Journal. It will do the job and your gymnast can add the frills.

Great journal to prepare before and after gymnastics meets. Should offer bundled option at a reduced rate for teams.

We started using it for this season. Lots of opportunities and detailed areas to write your thoughts and goals.

My daughter loves to reflect on her meets and answer questions about her team.

I like the concept of the journal, but not really the way it is organized. I found myself copying and enlarging the pages and putting them in a binder so I could organize it in a way that makes more sense for my daughter.

Purchased for my granddaughter for Christmas. She is a gymnast & uses it to track all her scores for her competition meets. Loves it!
