Customer Reviews

Our daughter loved it and is coloring in it. Her only complaint is how long it takes her to color the details, she is 15 and it is good for her but she is not totally engrossed in it. I plan on trying a few of the pictures myself to see how it goes.

Purchased as a gift for a friend.

love the pictures

Simple designs which I really need right now. Good therapy. If you like horses this might be a good book for you.

Gift Order. Recipient snatched it up and got busy coloring immediately with joy. Horse crazy teen loved the art in pages.

great relaxer

Beautiful coloring book! I purchased this for my 18 year old friend who is really into horses and she loved it.
