The Harry Caray's Restaurant Cookbook: The Official Home Plate Of The Chicago Cubs

Synopsis

Harry Caray's Restaurant, "the best steakhouse in Chicago"* with "the quintessential Chicago bar"', is named for the late, renowned baseball announcer and has been designated the Official Home Plate of the Chicago Cubs. The bar is 60'6", the exact distance from the pitcher's mound to home plate, and the restaurant houses 1,500 pieces of baseball memorabilia, including photographs, vintage newspapers, a Sammy Sosa autographed bat, and items from Stan Musial, Ernie Banks, Hank Aaron, Ted Williams, and others. Harry Caray's is just north of the Loop in one of Chicago's most architecturally significant buildings. The Harry Caray's Restaurant Cookbook is a visit to Chicago and the restaurant that serves "the best Chicken Vesuvio in the city"****. More than 150 recipes include "potent pasta, holy-cow steaks, and chicken fit for the Chairman of the Board." **** The stories, sidebars, and pictures bring back memories of baseball and Chicago. This important addition to the Roadfood™ Cookbook series is sure to be a favorite with people in Chicagoland and throughout the country. "When you only have time to visit one restaurant in Chicago, it's got to be Harry Caray's" - David M. Lissner, Dining Chicago. * Chicago Tribune ** Jay Leno *** Chicago Tribune and ABC **** Chicago Sun Times

Customer Reviews

Arrived quick, very new quality condition. A super neat gift for my gf who loves the Cubs, loves Chicago, and loves to cook. Her and her mom sat and read through the recipes excited. I personally would have liked to see a LOT more photos in the book, especially photos of the dishes, seems like a book like this would have that, it's mostly just pages upon pages of plain text. There are a couple color pages of photos though. She liked it, so I'm not complaining.

I got this cookbook because my boyfriend and I had recently went to Harry Caray's restaurant on our recent trip to Chicago and loved it. So he thought he might want to try some recipes in it.

HOLY COW! Harry Carays cookbook is fabulous! This is one of the best and favorite cookbooks from a eating establishment out there. It is also one of the best Italian cookbooks I have used. The Chicken Marsala and Vesuvio are just out of this world. All of the favorites can be found within mixed with a little history and some 4 color photos intermixed but most photos are black and white. You will wear this book out. Try out the crab cakes.

This is a GREAT COOKBOOK! Wonderful variety of recipes. Some of the recipes are obscure but most welcome Italian food. This is not an average cookbook. You will want to try these recipes. I'm an avid cookbook collector and this is a most welcome edition.

It was like brand new!

Good recipes and a good insight into a sports icon. We ate at the restaurant in MDW and wanted to see if we could replicate some of the food. So we bought the book. Very pleased with it.

Wonderful stories and recipes. I love cookbook that have more than just recipes. You get to know the heart & soul of the person behind them.

Great Chicago cookbook. Everything Chicago stands for in the form of great Italian recipes, great

steak recommendations and the chicken Vesuvio can not be beat.
