Rock The Dancefloor: The Proven Five-step Formula For Total DJing Success

Synopsis

If you want to know how it feels to be the DJ, to share the music you love with other people, to receive the adulation of packed dancefloors night after night, this book will show you exactly what to do to get there. Whether you're brand-new to this, a DJ who wants to finally break out of the bedroom, or you just want to improve your game, the five-step formula in *Rock The Dancefloor!* will help you to become a truly great DJ. This clear and practical guide will enable you to:

- Understand modern DJ gear, in order to avoid expensive mistakes
- Assemble the best music collection, so you can fill any dancefloor
- Quickly master all the techniques, so your DJ mixes sound amazing
- Perform like a pro at any type of gig: parties, bars, night clubs...
- Promote yourself effectively, for more and better paid bookings

Phil Morse is a DJ who has played around the world, including at the famous Privilege in Ibiza, the world's largest night club. He is the founder of Digital DJ Tips, a website and online DJ school that has taught over 13,000 DJs in 50 countries since 2010.

Customer Reviews

I loved this book! There has never been a more complete book written on this subject i have read. It will teach you about gear, music, techniques, business advice, and the industry as a whole. If you have never touched DJ gear, you will learn everything you need to start doing gigs. If you have DJ'd for a while like I have, you will pick up great tips to rejuvenate your love of it. Really fun read!

Great read. A Must for the Bedroom to Festival DJ... Phil Morse's Rock The Dance Floor! go hand and hand with his online training Digital DJ Lab

I started DJing in 2010. I literally saw a cool DJ video on YouTube and decided it would fun. The next day I found myself at a music store and after 3 hours purchased a controller (outside of my budget and not what I needed in the least). I had to figure out everything - where to get music; how to organize it; how to hook up everything; how to get gigs. There was so much trial and error. This book really compresses years worth of experience into an easy to digest format. I really wish this was available when I started.

a must for music lovers and DJ's

Excellent!!!

Great book, if you want to know the 5 key aspects of being a great DJ, and how you can quickly master them to get started, then this is perfect. I've been DJing for a while so I'm always interested in new books on the subject. I don't think I've read one that is so well written, clear practical and inspiring.

I've subscribed Phil's email, website & video offering for years now. This is book is an ultimate combination of all the advice he has been giving, but in an easy to follow, hand guide. Brilliant!

Awesome full encompassing guide with very helpful and practical tips for real world djing. Thanks Phil!
