Synopsis

The Ultimate guide to exploring Angkor Wat Archaeological Park and its Timeless Treasures Cambodia, a hidden pearl ready to be discovered, lies in Southeast Asia, bordering Thailand, Laos, and Vietnam. To the south, hundreds of miles of coastline greet the never-ending surge and swells of the South China Sea, providing a paradise of surf, sand, and sun for the country's two million visitors. The Kingdom of Cambodia (its official name) is steeped in centuries of religious history, military campaigns, and mystical legend. The country, now 90% Buddhist, is the home to hundreds of architectural wonders, some dating back over 1000 years. The influence of India can be seen in many of these structures, as temples dot the landscape, giving rise to a feeling of awe and devotion. These magnificent temples are at the heart of this travel guide by globetrotter, Anton Swanepoel. He lives in Cambodia, and racked up hundreds of miles, both on and off the beaten paths, in search of adventure. His many hours of on-the-ground experience will benefit the reader in innumerable ways: saving time, money, and stress. The guide features 50 must-see temples and attractions in the Angkor Wat Archaeological Park, as well as an additional 15 surrounding temples or attractions, some nestled in dense, jungle locations that would otherwise be difficult to find, while another, the largest religious monument in the world, sits atop a floating island. How cool is that? Additionally included are the five gates found in the park. The success of any holiday begins at home: researching, agonizing, and ultimately planning. Cambodia may be your trip of a lifetime it has been for thousands, as backpackers dot the landscape, enjoying the people and the culture. The information contained within these pages is intended for all travelers: novice, experienced, and, of course, do-it-yourselfers. The architecture is amazing to me. I loved many of the buildings, but could never figure out where they were on the compound or why. This book is perfect for that information. You learn a lot & its beautiful!
