Mosby's Essentials For Nursing Assistants, 5e

Synopsis

Designed for shorter programs of 85 hours or fewer, Mosby's Essentials for Nursing Assistants, 5th Edition provides coverage of the concepts and skills that are essential to becoming a nursing assistant. With focus on quality of life in the patient/person and self-pride in the nursing assistant this concise text emphasizes the importance of treating residents with respect while providing safe, competent, and efficient care. Delegation Guidelines identify the nursing assistant's specific responsibilities in accepting commonly delegated tasks. Promoting Safety and Comfort boxes highlight important considerations for providing safe and effective care while promoting patient comfort. Procedures boxes are divided into step-by-step format with instructions for performing each skill, including Quality of Life courtesies, Pre-procedure, Procedure, and Post-Procedure sections to make learning critical skills easier. Focus on PRIDE boxes highlight personal and professional responsibility, rights and respect, independence and social interaction, delegation and teamwork, and ethics and laws, encouraging you to promote pride in the person, family, and yourself. Quality of Life reminders in the procedure boxes reinforce the simple courtesies that should be afforded to all patients, demonstrating how to show respect for the patient as a person. NNAAP in the Procedure Title Bar alerts you to skills that are part of the National Nurse Aide Assessment Program. Concise coverage of nursing assistant content that's ideal and easy to use in classes with shorter hour requirements. Detailed illustrations offer step-by-step visual guidelines for performing key procedures.

Customer Reviews

I would never buy anything from the seller ayvax. I paid for text book and work book and only got the text book i had to buy the work book again . The book is really good and alot of needed info.happy with the book not the seller.

I had no problem reading it from my iPad/iphone. I used it during my CNA course and passed!

Was needed for class. The explanations and layout are top notch.

This book is great and user friendly for persons entering the field as a nursing assistant. The key to using this book is reading everything and understanding what you have read.

I am finding it so mush interesting and is well written with a lot of explanation, organized in a way that you can remember easier what you read.For CNA preparation i think is wonderful to get the best preparation for the exam. Thanks!

Great buy! I bought this book for a CNA class at my college. Same book for half the price of the school bookstore.

This book is easy reading and understandable. The colored pictures and detailed. A lot of information for Certified Nursing Assistance or to jump start a career in Nursing to be ahead of the game. Or, if you are just interested in the human body. Head first and enjoy

Did not even come with the textbook, it was only the workbook.
