# The Liberty Bell (American Symbols)

## Synopsis

Why do Americans love a bell that no longer rings? It is the Liberty Bell, and it once rang to announce the birth of a new country, the United States. Find out why Americans still treasure the bell, along with its famous crack.

Average Customer Review: 4.8 out of 5 stars 13 customer reviews

Best Sellers Rank: #388,474 in Books (See Top 100 in Books) #125 in [Books > Children's Books > Education & Reference > Government](#) #1242 in [Books > Children's Books > Education & Reference > History > United States](#)

Age Range: 5 - 7 years

Grade Level: 1 - 2

## Customer Reviews

Kindergarten-Grade 4—These attractively illustrated books introduce the history and significance of two of America's national symbols. In *Liberty Bell*, students will learn about the purchase of the bell, its Revolutionary War history, its symbolic use by abolitionists, and its famous fissure. *Bald Eagle* reviews the historical debate over the national bird, common traits associated with it, depictions of the bald eagle on currency and on the Great Seal, and facts about the species itself. Skeens's contemporary watercolors give a friendly and accessible cast to the symbols and events under consideration. With their large font, short sections, and clear writing, these titles will satisfy teachers looking for straightforward introductions to core democratic symbols for early primary-grade students or for elementary-aged new Americans.

The 974s (Dewey) are thin on inspiring read-alouds and Firestone's guided tour of the Liberty Bell hits the n --CLCD Newsletter

I bought this book for my nephew who is 7 years old and learning about the different US landmarks and he loved it! It was perfectly put together for a child who is reading but may be a little challenging for those kids just starting to read. I had to help him with a few difficult words. All in all this is exactly what I was looking for.

This was a wonderful book to use in our American Symbols unit!

Nice, simple book for kids detailing the history of The Liberty Bell.

Awesome!

Great book for learning about our American history. Very good condition.

Great book for children

Great book for teaching patriotic symbols to my kindergarten class. Have shared it with other teachers in my grade level.

This is a great book for learning about the Liberty Bell. It's not in a storyline format, but the images are great and the information is accurate. This is a great tool for the younger students learning about Philadelphia, PA and the Liberty Bell. Great book.
