The Bride's Broken Bond (Christian Romance): Sacred Bond Series Book 2

Synopsis

A Christian Romance Novel, a Runaway Bride . . . As the wedding music starts playing, poor little rich girl Hope DeMille learns that her husband-to-be loves someone else, but her domineering, high-society father won't let her back out of the expensive wedding he's funded. Enter Rock Anderson, a former inner-city kid mentored by Hope's parents, who's always wanted Hope. After helping Hope escape, Rock gets her a job at his urban mission and helps her find meaning in her life. But when Hope's powerful father seeks revenge and one of the inner-city kids goes missing, it'll take the best efforts of the Sacred Bond brotherhood to help this opposite-sides-of-the-tracks couple overcome their differences and commit to love. Set in Pittsburgh, this Christian romance novel shows the gritty side of life, but also the beauty that can come from faith and love. It is the second novel in the Sacred Bond series, introduced in the Christian romance novella A Christmas Bond. What readers are saying about this Christian fiction series: "Okay, I am officially hooked. I haven't been this excited since I discovered Dee Henderson's O'malley series." "I have a book boyfriend crush on the hero of this book, Rock. He is masculine, handsome, man of God, protective, humble, gentle, kind, romantic, passionate, and BUILT. There is a scene where he is shaving and the heroine, Hope, is watching him, and it's about the most romantic scene I have ever read. Get this book!!!! It is so good and will leave you sighing happily and dreaming about Rock." "A heartwarming, wonderful Christian romance."

Customer Reviews

Love this story!! I've read four books by this author in three days. Stayed up till the wee hours of the morning two nights in a row for two of them. I absolutely love these Christian suspenseful romance stories. Not sappy, not graphic, but definitely inspirational. This one definitely made me love the main characters and feel almost like I knew them personally. When I get so involved in a book that I completely lose track of what time it is, THAT is a GREAT book.

Love this series! The Bride's Broken Bond begins with Rock rescuing his friend, Hope, from an abusive groom, who loves someone else but wants the bride's father's money. Hope may be from a rich family, but they were dysfunctional -- verbally abusive and incapable of loving her. Her time away from them helps her discover that God's love can heal her and lead her to meaningful work with trouble teens and a mature love for Rock!!

I really love this series. I just have been introduced to this author in the past few days and I really enjoy these books. The characters are real. Their situations are believable and the God's love and mercy are woven into the tapestry of the plot. The author tackles real world problems with care and compassion. Can't wait to read more.

Love this author. I will be reading more!! Perfect blend of romance and drama. Really enjoyed this book and can't wait to start the next one.

This series is awesome and just seems to get better and better! Every book has been a great read for me and I definitely suggest buying the entire set as you will be drawn in and unable to put these books down!

I had never read books by this author but she is good. I read this one first and then the two novellas she wrote to introduce this. I already downloaded onto my kindle the second book in this series and I cannot seem to put it down. Good Christian writing and a good message in the books.

Hope was to be married to a guy who didn't love her. Her dad was furious so she ran away with her old friend Rock. He was the director at Faith city ministry. They help troubled teens. He's always loved Hope but he can't compete with her. Can God show them they are right for each other.
