The Art Of Pricing, New Edition: How To Find The Hidden Profits To Grow Your Business

Synopsis

Want to make a bad year better or turn a good year into a blockbuster? Improve your pricing strategy and discover the untapped gold mine that exists in your products and services. Whether you are in marketing, a manager, on the salesforce, in finance, or the CEO/CFO, pricing your products matters to you. The Art of Pricing is a practical guide for solving one of the most important dilemmas in business: how to use price to uncover hidden profits and find new opportunities for growth. This roadmap to pricing illustrates and explains: The financial windfall that can be reaped from small changes in price Methods to derive the $\tilde{A}\phi\hat{a} - A^{*}$ right price $\tilde{A}\phi\hat{a} - A^{*}$ for your product or service How a series of easy-to-implement strategies enables companies to serve and profit from the largest possible customer base How new pricing strategies can activate dormant customers Why the key to better pricing is to provide customers with options $\tilde{A}c\hat{a} - \hat{a}c$ different prices, versions, and opportunities to purchase $\tilde{A}\phi\hat{a} \neg \hat{a} \phi$ to best meet their needs. Using a range of examples, from small businesses to big companies like Ford, Rafi shows how expanding your vision of pricing can accelerate profits and growth at your company.
