Slouch Witch (The Lazy Girl's Guide To Magic Book 1)

Synopsis

Hard Work Will Pay Off Later. Laziness Pays Off Now. Let's get one thing straight - Ivy Wilde is not a heroine. In fact, she's probably the last witch in the world who you'd call if you needed a magical helping hand. If it were down to Ivy, she'd spend all day every day on her sofa where she could watch TV, munch junk food and talk to her feline familiar to her heart's content. However, when a bureaucratic disaster ends up with Ivy as the victim of a case of mistaken identity, she's yanked very unwillingly into Arcane Branch, the investigative department of the Hallowed Order of Magical Enlightenment. Her problems are quadrupled when a valuable object is stolen right from under the Order's noses. It doesn't exactly help that she's been magically bound to Adeptus Exemptus Raphael Winter. He might have piercing sapphire eyes and a body which a cover model would be proud of but, as far as Ivy's concerned, he's a walking advertisement for the joyless perils of too much witch-work. And if he makes her go to the gym again, she's definitely going to turn him into a frog.

Customer Reviews

A really fun book to read! The dialogue is hilarious. I love that Ivy is an immensely capable and talented witch who prefers to take everything slow and easy. Looking forward to Book 2 in the series.

Funny and fast-paced. I like that Ivy has such a relaxed confidence in herself (mostly). I like the universe this is set in. I like the unlikely pairing with Rafe. I'm looking forward to gobbling up the rest of the series.

I so enjoyed this book, wasn't sure I would but gave it a go. I am so glad I did! I could not help but laugh out loud so many times. I am looking forward to next book!

I enjoyed this story due to the unique characters especially the cats. The main character is funny and irreverent and the plot is interesting. A good book to just enjoy and relax with.

So, enjoyed reading Slouch Witch. Ivy, Winter. Got hooked right way, the humor, the adventure, the mystery. So, buying, the next, installment.

I expected great things from Helen Harper and I got them. I enjoyed this book very much and I am looking forward to much more about the main character.

A great new series. Ivy and Winter were fantastic together. Their dynamic was engaging and fun. Loved Brutus. Looking forward to the next book.

All Helen Harper's books are good reads, with engaging characters and snappy dialogue. There is a little too much of being clearly pulled down the wrong rabbit hole, but the book is good enough to be forgiven for it.
