fun ending at 79%. I get it... really I do, unlike myself not everyone has had a chance to read all of your wonderfully amazing work like I have, (ok, the complete god hunter series(btw lower g is due to my beliefs not lack of respect) and I love $\tilde{A}f\hat{A}\phi\tilde{A}$ $\hat{A}\bullet\tilde{A}$ $\hat{A}\bullet\tilde{A}$ $\hat{A}\bullet\tilde{A}$ $\hat{A}\bullet$ it!! Can't wait for "Pride" before the Fall" to come out, I've read the 1st book and a part of the 2nd in the Spellsinger series, and I think 3 in the Twilight Court series,.... Nothing against Soren (loved the 1st book) but the feel is very, very different from GH (not general hospital) which I'm surels what you were going for, but for me the action and the romance aren't in balance, almost all action lil, else, and the action is soo not stop Soren barely has a chance to sleep or eat much less anything else.... Most time I wouldn't even know the Count was her boyfriend if it didn't come up in conversation now and or then because they barely share a kiss $\tilde{A}f\hat{A}$ \tilde{A} \tilde{A} \tilde{A} \tilde{E} \tilde{E} \tilde{E} and if anything more happens it's completely off camera /off page, while the term "clean romance" feels like an oxymoron to me, I don't what all sex either ,laughs funnily enough that brings me to this book!Laughs, I'd say even though I never say King Kyran and his proclivities coming in Alice's Wonderland $\tilde{A}f\hat{A}$ \tilde{A} \tilde{A} \tilde{A} \tilde{E} \tilde{C} $\tilde{$ in personality to enjoy him guite as he is) he was still a dose of exciting fun and I loved the added twist $\tilde{A}f\hat{A}$ \tilde{A} \tilde{A} \tilde{A} \tilde{B} \tilde{B} \tilde{A} \tilde{A} "I just wish their had been more was my only true complaint!!!Every story made me wish soo hard I could have been on of her heroines ,cue wicked grin, if only for the men alone $\tilde{A}f\hat{A}$ \tilde{A} \tilde{A} \tilde{E} $\tilde{E$;)Btw just a thought I think Pan/Pandora and her men could make and amazing series!!!Out of all the stories it seemed soo to me, especially thinking crazy the Greek gods were ;) Thank Ms. Sumida!!! Happily Harem After is a collection of fairy tales unlike any that you have read before! The brilliant mind of Amy Sumida has taken the well-known tales and given them a Reverse Harem twist. I can't stress enough how clever, how imaginative, how delightful they are. The book contains Wild Wonderland (Alice), Four Clever Brothers (previously included in the Falling For Her Anthology; a Grimm Brother's mash-up), Beauty and the Beast (Belle), Pandora's Boys (Pan and the Lost Boys), and Glass Slipper (Cinderella). Wild Wonderland and Pandora's Boys are exceptional. I personally was not a huge fan of Glass Slipper, but I can't argue that it was entertaining. I was surprised that Snow White was not included since it seemed a natural fit, but I am greedy and would have been

thrilled with an entire collection of every known fairy tale. Maybe we will have a wonderful volume 2!

Having already read one of the books included, Four Clever Brothers, I couldn't wait to read these stories! These stories are classic fables told to evey child but with a very adult twist. If you love strong, brave heroines, fantasy lands, and multiple hot men, then these stories are a perfect fit for you! Note that the ending of this also contains chapters of her other series, which are great, too.

We all know the classic fairytales at least one version of them. Happily Harem After takes a few of the classics and adds a unique twist. The biggest change is each heroine gets her own male harem. Each story is unique and adds elements of the classic stories but it's also clear some time went into pulling them and giving them more depth and making you look at things a different way. Pan was my favorite in this book! Each version is a short story but you diffidently gives you enough to feel satisfied with the story and as an added bonus it has chapters from some of her other books!

Another successful book!

I loved it and can't wait for another Amy Sumida book!! A new author for me a few years ago and I couldn't be happier. Love all Amy Sumida series so far!!! Can't wait for the new Godhunter book!!

These are not your grandmother's fairy tales but hotter steaming versions! I'm sure I have a thing for monsters too!

A new RH twist on classic tales. I always enjoy the way Amy writes her female leads. Sassy and mouthy all the way.

I loved this collection of short stories. In my mind, Amy can do no wrong!! I love her creative mind!!
