A great start to another fantastic series from Shannon Mayer! A strong female with a unique skill set. Nix is now free to unleash those skills onto those who have wronged her. I enjoyed getting to know Nix. I look forward to finding out more about her past, present and future. This story is fast paced and action packed. And lucky for us Shannon Mayer has mad writing skills and pumps these babies out pretty quickly. We won't have too long to wait for the next installment.

Mrs Mayer keeps creating phenomenal stories to read!Nix's sidekicks are hilarious and I like the pace set for this series. I am excited for volume 2!

This book was fantastic. Nonstop action, poignant, emotional writing, a cliff hanger ending. Shannon Mayer continues delivering quality writing in the uf genre, characters that with all their darkness shine bright with their intention and draws the reader into loving them so much, the anticipation for the next book is unbearable

It looks like SM is getting better with time , like a good wine. A solid 5 stars. The kind you can't let go. Phoenix is a very strong character and fun to share her POV. After suffering a great loss she is out for vengeance and she delivers.Look forward to the next installment.

Get this book! You won't regret it. It kept me on the edge through the entire thing. I cried in the beginning and was cheering for Phoenix by the third chapter. I definitely can't wait for September 2 to come so I can see what happens next. This series is off to a great start.

I love everything Shannon Mayer writes. Strong, physical, lethal female heroines with smart mouths and mad skills to back it up. I've been excited to meet Nix, and while she wasn't what I expected, I certainly wasn't disappointed! I've already got Book 2 pre-ordered!

Another kick arse book from Shannon Mayer. A mother on a mission after loosing her family. Just when you think life is finally giving you a break, along comes a devastating blow. How does a former killer get revenge for her family, well she goes hunting. But the only problem is she has to go back

to being who was before, a killer. Finding out who behind this was no surprise for this killer, not when you can't trust your own father. A great book, interesting characters. If like Shannon Mayer writing, you will enjoy this book.

Another incredible series by Shannon Mayer. I love Nix! I also love all the twists this story took as to who Nix can trust and who is working for who. It's a mystery mixed with a true badass heroine. I can't wait until the next book in the series.
