Sweet Valley High #1: Double Love

Synopsis

WELCOME TO SWEET Valley High – a world of good girls and bad girls, hot boys with fast cars, perfect tans and natural highlights . . . all under the Southern California sun. Twin girls, identical in every way – yet they couldn't be more different. Jessica Wakefield is used to getting what she wants – at school, with her friends, and especially with boys – and she will stop at nothing to get it. Elizabeth Wakefield is used to letting her twin sister have her way. There's not much that's worth fighting her over – lost earrings can be replaced, petty problems can be resolved, and rampant rumors can be doused like a fire. But when it comes to Todd Wilkins, Liz isn't so sure she should step aside and make way for Jessica. This time, Jessica Wakefield is going to have some competition – from her own sister.

Book Information

Series: Sweet Valley High (Book 1)

Best Sellers Rank: #490,289 in Books (See Top 100 in Books) #51 in [Books > Teens > Literature & Fiction > Social & Family Issues > Homelessness & Poverty](#) #2106 in [Books > Teens > Literature & Fiction > Social & Family Issues > Family](#) #2326 in [Books > Teens > Romance > Contemporary](#)

Customer Reviews

Will Jessica steal Todd from Elizabeth? Elizabeth and Jessica Wakefield are identical twins at Sweet Valley High. They're both popular, smart, and gorgeous, but that's where the similarity ends. Elizabeth is friendly, outgoing, and sincere -- nothing like her snobbish and conniving twin. Jessica gets what she wants -- at school, with friends, and especially with boys. This time, Jessica has set her sights on Todd Wilkins, the handsome star of the basketball team -- the one boy that Elizabeth really likes. Elizabeth doesn't want to lose him, but what Jessica wants, Jessica usually gets... even

if it ends up hurting her sister. Meet the Wakefield twins, their guys, and the rest of the gang at Sweet Valley High.... --This text refers to an out of print or unavailable edition of this title.

To be honest I prefer the middle school series. These children have lost their minds in this book

Enjoyed this growing up and bought it for my daughter. She seemed to like it, but obviously, it's a little old-fashioned. She kept reading and has gotten to book eight or nine. Is bored with them now, but I'm hoping she keeps reading the series.

Francine Pascal is the Ernest Hemingway of her day. Must read.

Loved these books as a kid! I was bored on vacation and downloaded all the ones available to me on Kindle and read them in a week!. I really wish they'd put the rest of the books out on Kindle.

I have loved these books since I was a kid. I have been trying to find the collection for years. Really glad I found them and can continue to share these books with my 14 year old daughter.

My daughter read it and loved it!

I am an old SVH addict. I admit it, even as my 34 year old self, cringes a little bit. I stopped reading the series when I was about 19, too old for the books even then, I guess. About three years ago, when I was home for weeks on medical leave I ordered some online (my originals being long gone) and voila, in a few weeks I was the proud owner of the entire original SVH series, AGAIN. I read them until my six weeks of leave ended but I still kept collecting. So its very odd to me, that just a

couple years after I start thinking about them again, they pop back up with a modernized version. I was excited. I have a twelve year old daughter. I wanted nothing more than some cool remake to renew the names of Jessica & Elizabeth Wakefield in today's culture. I eagerly sank into these books when they arrived. I was disappointed beyond belief to see the Dairy Burger completely gone to make way for a funky named Mexican restaurant. What, there aren't any small independent burger restaurants in small sunny California towns anymore? The twins are a perfect size 4 now instead of a 6. There are no sororities and fraternities (which seems legit to me as even in the 80's I never knew a high school with them) Enid has straight hair instead of curly hair, which makes me wonder if they are modeling her after the actress that played her on the tv series. Most of these changes are ok with me, I guess. I don't like that Bruce seems to be missing his 1Bruce1 license plate. I don't like that Dana Larson has become a goth girl imitation of herself. I don't like that Winston seems to play a geekier role than before, if possible. I know I will still buy each of these books. I am dying to see young girls devouring these remakes like I did (hopefully), I am dying for the appearance of the much anticipated Sweet Valley Confidential set when the twins are 26 years old, and I am dying for this New Kids on The Block reunion. Hey, I said I was all about bringing the 80's back.
