First time I've read Charlotte Stone but not my last! I love a story that features a hero that knows exactly what he wants and is determined to have it. Throw in some humor, a few catastrophes and a really great cast of characters and you won't want to put this book down. I'll be looking for follow up books on all the Brothers and Sisters so please don't disappoint, Ms Stone!

I was generously given a free copy to read and review. I absolutely loved this story! An innocent heroine who catches the eye of a very eligible handsome titled gentleman and their journey to love amid chaos. This one is a keeper!

Full of human, innocence, passion, mystery and love. Love the Gentlemen and hope to follow all of them to as the fall in love.

This is the first book I have read by this author and truly enjoyed it, I was hooked from the beginning. Loved the characters, a very likable bunch. Anxious to read the next book in this series.

Enjoyable read. Couldn't put it down. Kept me wanting to know what happened next. Had some typos otherwise ok. Ending was short and to point. Could have had a little more detail at the end. Enjoyed it.

Oh I hope we see a new series arising with this new story. The developing "friendship" between Lady Lorena Cullip and the Earl of Ashwick has been in the making for many years. Ashwick is a member of a group of gentlemen who grew up with Lorena's brother at Oxford, the Men of Nashwood. All the young men vacationed at the Cullip estate, Valdeston, for years and were the closest of friends. Lorena's brother Francis was a member of the Nashwoods. The strong chemistry between Lorena and Ashwick had led to consequences of disasterous proportions over the years. As the story unfolds, Lorena and Francis are just coming out of mourning from the accidental death of their parents while on a vacation. With the death of their father it became apparent that the family was in dire financial straights and deep retrenchment was needed to just keep a roof over their heads. Lorena finally decides to attend the ball Lady Ashwick holds for Lord Ashwick. This would be the first time she has really seen him in a couple of years after the fiasco of her accident in his presence at her come out ball. The night of the Ashwick ball Lorena sees a masked man stealing an object from the residence and in her attempt to stop the man he overturns a candle stand. The candles ignite the drapes and before help could arrive the home, which was filled with priceless treasures, was burned to the ground. Are Lorena and Ashwick destined to be under this spell of "accidental disasters" forever? This is the delightful love story of Lorena and Ashwick (in a mature format) as she tries to solve the story of the thief in the white mask who really caused the fire at Ashwick's home the night of the ball. The supporting characters in Lorena's life bring comedy and intrigue. Zeb the butler, Jane her ladies maid, Sophia and the Spinster's Society...the list goes on. This book was such fun and I can't wait to see what happens to Francis and Geni. Which one of the Men of Nashwood will be able to subdue the mighty Sophia? All of these young men are wonderful characters with stories to uncover...Calvin, Morris...the list goes on and on. Great job Ms Stone. Please write again soon.

A lovely, entertaining book by a new-to-me author. I actually believe she is a fairly new author as well and you can see that in the polish and flow of the book and some of the societal norms she missed for the time period. That said, I thoroughly enjoyed the story. The main characters are like pyrotechnics $\tilde{A}f\hat{A}\phi\tilde{A}$ $\hat{a} \neg \tilde{A}$ $\hat{a} \infty$ every time they are in the vicinity of one another some disaster or another happens and the sparks fly. Yes, disasters from the mundane falling flat to burning an entire townhouse down. There are no dull times when these two are around. I believe this will be part of a series, and $I\tilde{A}f\hat{A}\phi\tilde{A}$ $\hat{a} \neg \tilde{A}$ $\hat{a}_{,,\phi}\phi$ m not clear what the series will be about $\tilde{A}f\hat{A}\phi\tilde{A}$ $\hat{a} \neg \tilde{A}$ $\hat{a} \infty I$ assume that it will include either the Spinster $\tilde{A}f\hat{A}\phi\tilde{A}\hat{a}$, $\neg\tilde{A}\hat{a}$, ϕ s Society ladies or the group of ten gentlemen known as the Men of Nashwood. Nashwood was a tavern, close to Oxford, that the young men had more or less taken over when they moved to Oxford to complete their education. I believe this book may only be available on .Emmett Starr is the Earl of Ashwick and a member of the Men of Nashwood. His early life was a very sad one. Both parents were cold and uncaring and his mother even actively disliked him. No reason for it $\tilde{A}f\hat{A}\phi\hat{A}$ $\hat{a} \neg \tilde{A}$ \hat{a} ∞ it was just who they were. So, when he became a member of the Men of Nashwood, it became his family. He felt especially welcomed and at home when he visited the family of Francis Cullip, heir to the Duke of Valdeston. They were a warm and loving family who welcomed Emmett with open arms. The very first time Emmett saw the daughter of the house, he was totally besotted and from that point on, in his mind she belonged to him.Lady Lorena Cullip was raised in a warm and loving home $\tilde{A}f\hat{A}\phi\tilde{A}$ $\hat{a} - \tilde{A}\hat{a}$ ce though it was nearly penniless. She was a sweet and caring young lady who always wanted to make others feel

safe and comfortable and she was very gifted at doing that. She was also very curious and mischievous. Around Emmett, she seems to trip over her own feet $\tilde{A}f\hat{A}\phi\tilde{A} \ \hat{a} \neg \tilde{A} \ \hat{a} \ \infty$ she burns him with coffee, sticks him with a toga pin and $\tilde{A}f\hat{A}\phi\tilde{A} \ \hat{a} \neg \tilde{A} \ \hat{a} \ \infty$ oh yes $\tilde{A}f\hat{A}\phi\tilde{A} \ \hat{a} \neg \tilde{A} \ \hat{a} \ \infty$ she burns his house down.I won $\tilde{A}f\hat{A}\phi\tilde{A} \ \hat{a} \neg \tilde{A} \ \hat{a}_{,,\phi}ct$ give you a twist-by-turn description of the book because you can get that from the book blurb. I will tell you that I did enjoy the story itself, but if you are a historical fan, some of the details will make you cringe. For instance $\tilde{A}f\hat{A}\phi\tilde{A} \ \hat{a} \neg \tilde{A} \ \hat{a} \ \infty$ Lorena is living alone in her own townhouse (she $\tilde{A}f\hat{A}\phi\tilde{A} \ \hat{a} \neg \tilde{A} \ \hat{a}_{,,\phi}ct$ maybe 19-20 years old) with no chaperone or even any servants. That just isn $\tilde{A}f\hat{A}\phi\tilde{A} \ \hat{a} \neg \tilde{A} \ \hat{a}_{,,\phi}ct$ done."I received this book at no cost to me and volunteered to read it; my review is my honest opinion and given without any influence by the author or publisher."
