The Gatekeeper's Challenge (The Gatekeeper's Saga Book 2)

Synopsis

Thanatos and Therese's addictive love and adventure story continues in this second book of bestselling author Eva Pohler's epic young adult series. Ten agonizing months have gone by since Therese faced off against her parents' murderer at Mount Olympus, and she suspects Thanatos's absence is meant to send her a message: go on with your life. She tries to return Pete's affections even though her heart aches for the god of death, but when Than shows up to take her hamster's soul, she becomes infuriated when he says he "been busy." In cahoots with her new friend, who's gotten in with the Demon Druggies at school, Therese takes a drug that simulates a near-death experience, planning to tell Than off so she can have closure and move on, but things go very, very wrong. Eventually she learns Than has been busy searching for a way to make her a god, and he's found it, but it requires her to complete a set of impossible challenges designed by Hades, who hopes to see her fail. Author Note: Thank you for making The Gatekeeper's Saga a bestselling teen fantasy series.

This book started where book one left off. Therese and Thantos have to find a way to make Therese mortal since Zeus has decided not to give her the ambrosia to make her a God. I started off really liking this story, but it just seemed to go off, spoilers ahead.....They had originally planned to get Dionysus to change Therese but they just give up on that very reasonable plan and say hey forget it, lets let Thantos get ripped apart each year instead. Why even bring up the Dionysus plot just for it to go no where and fizzle out

This is a different story line then I've read before, but I love the story. It is very non stop action twists and turns. It will keep you on the edge of your seat, just when you relax boom the plot twistens!!

Another wonderful combination of Greek Mythology meets modern day! I just love this series. I tend to steer more towards the steamier romance rather than the YA. It's nice to step out of the comfort zone and find a good read that holds my attention. I read this in one day, which says a lot with how limited my time for reading has been. I just couldn't put it down. So many current issues that young adults face are addressed. It touches on sensitive subjects such as drug use and loss of loved ones. I applaud that the characters want to wait to have sex. So many YA books have them hopping into bed together so quickly after the characters meet. I'm so glad that this was not the case in this story. I can't wait to read the next installment in the Gate Keeper's Saga.

Pros- great story continued. Spoiler I loved that they found a way to make the challenges attainable for the her. The author is so descriptive it really makes the story come to life.Cons- I felt that the story was too short. She was so quick to get through her life and onto the challenges.I can't wait to read the next book in the series!

First book was pretty good. She gets really carried away with the sex later on. I get that the guy is a god! enough

I don't know what to say. I am speechless. I don't know what to think. Interesting novel, wonder what book three has in store for us.

I couldn't put the book down!

Eva did it again! This book was even better than the first. Oh, Therese. This girl is so awesome. She would do anything for her than. I love how she would do anything for her love. I read this in a few short hours. I couldn't put it down. Everyone I know will be told to read this.
